REPORT TO AUDIT COMMITTEE / MPAC / COUNCIL

SUBJECT: REPORT OF THE AUDITOR GENERAL 2024/2025

The item served at the MPAC (Municipal Public Accounts Committee) dated 02 December 2025:

DOEL:

Die doel van die item is om die Verslag van die Ouditeur-Generaal vir die boekjaar 2024/2025 aan die Raad voor te lê.

PURPOSE:

The purpose of the item is to present the Report of the Auditor-General for the financial year 2024/2025 to Council.

AGTERGROND:

Die Ouditeur-Generaal van Suid-Afrika (AGSA) is die hoogste oudit-instelling (SAI) van Suid-Afrika. Dit is die enigste instelling wat deur die wet, oudit en verslag moet doen oor hoe die regering die Suid-Afrikaanse belastingbetaler se geld bestee.

Die AGSA lewer jaarliks ouditverslae oor alle staatsdepartemente, openbare entiteite, munisipaliteite en openbare instellings. Benewens hierdie entiteitspesifieke verslag word die oudit uitkomstige geanaliseer in die algemene verslae wat die Munisipale Finansiële Bestuurswet van 2003 (MFMA) siklusse dek.

BACKGROUND:

The Auditor-General of South Africa (AGSA) is the supreme audit institution (SAI) of South Africa. It is the only institution that, by law, has to audit and report on how government is spending the South African taxpayer's money.

The AGSA annually produces audit reports on all government departments, public entities, municipalities and public institutions. Over and above these entity specific report, the audit outcomes are analysed in the general reports that cover the Municipal Finance Management Act of 2003 (MFMA) cycles.

WETLIKE IMPLIKASIE:

Artikel 188 (1) (b) van die Grondwet bepaal dat die funksies van die Ouditeur-Generaal die ouditering en verslagdoening oor die rekeninge, finansiële state en finansiële bestuur van alle munisipaliteite insluit. Artikel 45 van die Wet op Plaaslike Regering: Munisipale Stelsels, Wet 32 van 2000, bepaal dat die resultate van prestasiemeting jaarliks deur die Ouditeur-Generaal ge-oudit moet word.

LEGAL IMPLICATION:

Section 188 (1) (b) of the Constitution states that the functions of the Auditor-General include the auditing and reporting on the accounts, financial statements and financial management of all municipalities. Section 45 of the Local Government: Municipal Systems Act, Act 32 of 2000 states that the results of performance measurement must be audited annually by the Auditor-General.

FINANSIËLE IMPLIKASIES / FINANCIAL IMPLICATIONS:

Audit cost: R4 705 445

On proposal by Cllr Le Minnie, seconded by Cllr Blaauw are:

RESOLVED:

THAT THE REPORT OF THE AUDITOR GENERAL FOR THE FINANCIAL YEAR 2024/2025 BE APPROVED.

Dear Mr Joubert

Report of the auditor-general on the financial statements, annual performance report, compliance with legislation and other legal and regulatory requirements of the West Coast District Municipality for the year ended 30 June 2025

1. The above-mentioned report of the Auditor-General is submitted herewith in terms of section 21(1) of the Public Audit Act No. 25 of 2004 (PAA) read in conjunction with section 188 of the Constitution of the Republic of South Africa and section 126(3) of the Municipal Finance Management Act 56 of 2003 (MFMA).
2. We have not yet received the other information that will be included in the annual report with the audited financial statements and the annual performance report and have thus not been able to establish whether there are any inconsistencies between this information and the audited financial statements, the annual performance report or our report on compliance with legislation. You are requested to supply this information as soon as possible. Once this information is received it will be read and should any inconsistencies be identified these will be communicated to you and you will be requested to make the necessary corrections. Should the corrections not be made we will amend and reissue the audit report.
3. In terms of section 121(3) of the MFMA you are required to include the auditor's report in the municipality's annual report to be tabled.
4. Prior to printing or copying the annual report which will include the auditor's report you are required to do the following:
 - Submit the final printer's proof of the annual report to the relevant senior manager of the Auditor-General of South Africa for verification of the audit-related references in the auditor's report and for confirmation that the financial statements, annual performance report and other information are those documents that have been read and audited. Special care should be taken with the page references in your report, since an incorrect reference could have audit implications.

- The signature *Auditor-General* in the handwriting of the auditor authorised to sign the audit report at the end of the hard copy of the audit report should be scanned in when preparing to print the report. This signature, as well as the place and date of signing and the Auditor-General of South Africa's logo, should appear at the end of the report, as in the hard copy that is provided to you. The official logo will be made available to you in electronic format.
5. Please notify the undersigned Senior Manager well in advance of the date on which the annual report containing this audit report will be tabled.
 6. The confidentiality of information obtained in an engagement must be observed at all times. In terms of section 50 of the PAA and the International Code of Ethics for Professional Accountants of the International Ethics Standards Board for Accountants (*including International Independence Standards*), members of the staff of the Auditor General (AG), or an audit firm appointed in terms of section 25 of the PAA, may not disclose or make available any information obtained during an audit, other than the final auditor's report, to any third party without the permission of the AG or his/her delegate, unless this is to a legislature or internal committee of a legislature or a court in a criminal matter..
 7. Until the steps described in paragraphs 2 and 4 of this document are completed and the annual report is tabled as required by section 127(2) of the MFMA, the audit report is not a final and public document and you are therefore requested to treat it as confidential.
 8. Your cooperation to ensure that all these requirements are met would be much appreciated.

Kindly acknowledge receipt of this letter.

Yours sincerely

Report of the auditor-general to the Western Cape Provincial Parliament and council on the West Coast District Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the West Coast District Municipality set out on pages 7 to 123, which comprise the statement of financial position as at 30 June 2025, statement of financial performance, statement of changes in net assets, the cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the West Coast District Municipality as at 30 June 2025 and its financial performance and cash flows for the year then ended in accordance with Standards of Generally Recognised Accounting Practice (GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 24 of 2024 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International Code of ethics for Professional Accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Uncertainty relating to future outcomes

7. I draw attention to the significant uncertainty regarding the municipality's value-added tax (VAT) position, as disclosed in note 54 to the financial statements. The financial statements include disclosure of a potential VAT exposure estimated at R195 882 256, arising from the VAT treatment of funding received for the roads function. This matter remains unresolved due

to pending legal proceedings, an ongoing South African Revenue Service audit, and possible future rulings or clarifications. The ultimate financial impact cannot be determined with certainty at this stage.

8. In addition, as disclosed in note 54, the municipality has received a request for payment of R66 029 114 from the Department of Water and Sanitation. To date, no documentary evidence supporting this claim has been provided. This contingent liability relates to the water concession and does not pertain to the West Coast District Municipality's administration account.

Other matter

9. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

10. In terms of section 125(2)(e) of the MFMA, the particulars of non-compliance with the MFMA should be disclosed in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Unaudited supplementary schedules

11. The supplementary information set out on pages 124 to 137 does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion on them.

Responsibilities of the accounting officer for the financial statements

12. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the GRAP and the requirements of the MFMA and Dora, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
13. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

14. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

15. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report. This description, which is located on page 7, forms part of my auditor's report.

Report on the audit of the annual performance report

16. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected objective presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.
17. I selected the following objective presented in the annual performance report for the year ended 30 June 2025 for auditing. I selected an objective that measures the municipality's performance on its primary mandated functions and that is of significant national, community or public interest.

Objective	Page numbers	Purpose
Coordinate and promote the development of bulk and essential services and transport infrastructure	10 – 13	The strategic objective relates to the core function of the municipality, which is co-ordinating and promoting the development of bulk services and transport infrastructure.

18. I evaluated the reported performance information for the selected objective against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.
19. I performed procedures to test whether:
- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
 - all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included
 - the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
 - the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be

delivered and by when, the required level of performance as well as how performance will be evaluated

- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner and is comparable and understandable
- there is adequate supporting evidence for the achievements reported and for the measures taken to improve performance.

20. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

21. I did not identify any material findings on the reported performance information for the selected objective.

Other matter

22. I draw attention to the matter below.

Achievement of planned targets

23. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance.

24. The table that follows provides information on the achievement of planned targets and lists the key indicators that were not achieved as reported in the annual performance report. The measures taken to improve performance are included in the annual performance report on pages 10 to 13.

Coordinate and promote the development of bulk and essential services and transport infrastructure

<i>Targets achieved: 33%</i> <i>Budget spent: 93%</i>		
Key indicator not achieved	Planned target	Reported achievement
Re-gravel 32.25 kilometers of roads by 30 June 2025	32.25	5.37
Upgrade 7.00 kilometers of roads from gravel to bitumen surface by 30 June 2025	7.00	6.21
Reseal 129 208 square metres of surfaced roads by 30 June 2025	129 208	14 776
Rehabilitation of 6.59 kilometers of surfaced roads by 30 June 2025	6.59	0

Report on compliance with legislation

25. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
26. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
27. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
28. I did not identify any material non-compliance with the selected legislative requirements.

Other information in the annual report

29. The accounting officer is responsible for the other information included in the annual report. The other information does not include the financial statements, the auditor's report and the selected objective presented in the annual performance report that have been specifically reported on in this auditor's report.
30. My opinion on the financial statements, and my reports on the audit of the annual performance report and compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
31. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected objective presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
32. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

33. I considered internal controls relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.

34. I did not identify any significant deficiencies in internal control.

Auditor-General
Cape Town

28 November 2025

AUDITOR-GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the International Standards on Auditing, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected objective and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made.
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause the municipality to cease operating as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:
