

AUDITOR-GENERAL
SOUTH AFRICA

REPORT OF THE AUDITOR-GENERAL

ILembe District Municipality and its Entity

2024-25

Date: 12 December 2025

Report of the auditor-general to the KwaZulu-Natal Provincial Legislature and the council on the iLembe District Municipality and its controlled Entity

Report on the audit of the consolidated and separate financial statements

Opinion

1. I have audited the consolidated and separate financial statements of iLembe District Municipality and its controlled entity set out on pages xx to xx, which comprise the consolidated and separate statements of financial position as at 30 June 2025, consolidated and separate statements of financial performance, consolidated and separate statements of changes in net assets, consolidated and separate cash flow statements and statement of comparison of budget information with actual information for the year then ended, as well as notes to the consolidated and separate financial statements, including a summary of significant accounting policies.
2. In my opinion, the consolidated and separate financial statements present fairly, in all material respects, the financial position of the iLembe District Municipality and its controlled entity as at 30 June 2025 and their financial performance and cash flows for the year then ended in accordance with the South African Standards of Generally Recognised Accounting Practice (GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 24 of 2024 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the consolidated and separate financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International Code of ethics for Professional Accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Distribution losses – water

7. As disclosed in note 52 to the consolidated and separate financial statements, the municipality incurred material water losses of R123,76 million (2023-24: R110,00 million) which represents 41% (2023-24: 39%) of the total water purchased. The losses were mainly due to illegal connections, main leaks (ageing infrastructure), reservoir overflows and service connection leaks.

Restatement of corresponding figures

8. As disclosed in note 43 to the consolidated and separate financial statements, the corresponding figures for 30 June 2024 were restated as a result of errors in the financial statements of the municipality at, and for the year ended ,30 June 2025.

Material impairments – Consumer receivables

9. As disclosed in note 3.1 to the consolidated and separate financial statements, the municipality reported material impairments of R945,89 million (2023-24: R908,07 million) on consumer receivables as the recoverability of these amounts was doubtful.

Responsibilities of the accounting officer for the consolidated and separate financial statements

10. The accounting officer is responsible for the preparation and fair presentation of the consolidated and separate financial statements in accordance with the GRAP and the requirements of the MFMA and Dora; and for such internal control as the accounting officer determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.
11. In preparing the consolidated and separate financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the consolidated and separate financial statements

12. My objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

13. A further description of my responsibilities for the audit of the consolidated and separate financial statements is included in the annexure to this auditor's report. This description, which is located at page 9, forms part of my auditor's report.

Report on the audit of the annual performance report

14. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected key performance area presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.
15. I selected the following key performance area presented in the annual performance report for the year ended 30 June 2025 for auditing. I selected a key performance area that measures the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

Key performance area	Page numbers	Purpose
Basic service delivery	XX-XX	Improve access to all infrastructure and services.

16. I evaluated the reported performance information for the selected key performance area against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.
17. I performed procedures to test whether:
- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
 - all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included
 - the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
 - the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
 - the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents

- the reported performance information is presented in the annual performance report in the prescribed manner and is comparable and understandable
- there is adequate supporting evidence for the achievements reported and measures taken to improve performance.

18. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

19. The material finding on the reported performance information for the selected key performance area is as follows:

Basic service delivery

Number of reports on monitoring of the concession submitted by deadline

20. Adequate processes had not been established to consistently measure and reliably report on the achievement of this indicator and its target of 4 reports. There is misalignment between how the indicator is described and the submitted portfolio of evidence used to report on the performance indicator achievement. Consequently, the municipality would have found it difficult to determine the correct achievement to be reported against the planned target.

Other matters

21. I draw attention to the matters below.

Achievement of planned targets

22. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance.

23. The table that follows provides information on the achievement of planned targets and list the key service delivery indicators that were not achieved as reported in the annual performance report. The measures taken to improve performance are included in the annual performance report on pages xx to xx.

Basic service delivery

<i>Targets achieved: 87%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
Rand value of MIG expenditure on sanitation projects (TS 51 - TL010)	R 126 875 167	R125 378 694
Percentage reduction of unaccounted water losses (Real & Apparent water losses) by deadline (MM033-TL006)	4%	1.49%

Material misstatement

24. I identified a preventable material misstatement in the annual performance report submitted for auditing. This material misstatement was in the reported performance information for basic service delivery. Management did not correct the misstatement and I reported a material finding in this regard.

Report on compliance with legislation

25. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
26. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
27. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
28. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Annual Financial Statements

29. The consolidated and separate financial statements submitted for auditing were not fully prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of non-current assets, current assets, expenditure and disclosure items identified by the auditors in the submitted consolidated and separate financial statement were subsequently corrected, resulting in the consolidated and separate financial statements receiving an unqualified audit opinion.

Procurement and contract management

30. Some of the goods and services within the prescribed transaction value for competitive bids were procured without inviting competitive bids, as required by SCM Regulation 19(a). Deviations were approved by the accounting officer even though it was not impractical to invite competitive bids, in contravention of SCM Regulation 36(1). Similar non-compliance was also reported in the prior year.
31. Some of the quotations were awarded to bidders that did not score the highest points in the evaluation process, as required by section 2(1)(f) of Preferential Procurement Policy Framework Act and 2022 Preferential Procurement Regulation 4(4) and 5(4).

Expenditure management

32. Reasonable steps were not taken to ensure that money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.
33. Reasonable steps were not taken to prevent irregular expenditure amounting to R37,51 million as disclosed in note 59.2 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the disclosed irregular expenditure related to non-compliance with legislation relating to procurement and contract management.

Revenue management

34. An effective system of internal control for debtors was not in place, as required by section 64(2)(f) of the MFMA.

Consequence management

35. Some of the irregular expenditure incurred by the municipality were not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.

Human resources management

36. I was unable to obtain sufficient appropriate audit evidence that the auditee conducted reference checks and personal credential verification for newly appointed staff members, as required by regulation 19 of the Municipal Staff Regulations.

Other information in the annual report

37. The accounting officer is responsible for the other information included in the annual report. The other information does not include the consolidated and separate financial statements, the auditor's report and those selected key performance area presented in the annual performance report that have been specifically reported on in this auditor's report.
38. My opinion on the consolidated and separate financial statements, and my reports on the audit of the annual performance report and compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
39. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the consolidated and separate financial statements and the selected key performance area presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
40. I did not receive the other information prior to the date of this report. When I do receive and read this information, and if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

41. I considered internal control relevant to my audit of the consolidated and separate financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
42. The matters reported below are limited to the significant internal control deficiencies that resulted in the material finding on the annual performance report and the material findings on compliance with legislation included in this report.
43. The accounting officer and senior management did not exercise adequate oversight to implement effective monitoring controls, ensuring credible and reliable financial and performance reporting, as well as compliance with key legislation.

AUDITOR - GENERAL

Pietermaritzburg

12 December 2025

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the consolidated and separate financial statements and the procedures performed on reported performance information for selected key performance area and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the consolidated and separate financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made.
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the consolidated and separate financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the consolidated and separate financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the consolidated and separate financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause the municipality to cease operating as a going concern.
- evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and determine whether the consolidate and

separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the consolidated financial statements. I am responsible for the direction, supervision and review of audit work performed for purposes of the group audit. I remain solely responsible for my audit opinion.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	Sections: 1, 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 28(1), 29(1), 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii), Sections: 32(2)(b), 32(6)(a), 32(7), 53(1)(c)(ii), 54(1)(c), 62(1)(d), 63(2)(a), 63(2)(c), 64(2)(b), 64(2)(c), 64(2)(e), 64(2)(f), Sections: 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e), 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1), 122(2), 126(1)(a), Sections: 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii), 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 170, 171(4)(a), 171(4)(b)
MFMA: Municipal budget and reporting regulations, 2009	Regulations: 71(1)(a), 71(1)(a)(b), 71(2)(a), 71(2)(b), 71(2)(d), 72(a), 72(b), 72(c)
