

Report of the auditor-general to the Mpumalanga Provincial Legislature and the council on the Ehlanzeni District Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Ehlanzeni District Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2023, statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget information with actual information for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Ehlanzeni District Municipality as at 30 June 2023 and its financial performance and cash flows for the year then ended in accordance with the Generally Recognised Accounting Practice (GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 5 of 2022 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the district municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

7. As disclosed in note 39 to the financial statements, the corresponding figures for 30 June 2022 were restated as a result of an error in the financial statements of the district municipality at, and for the year ended, 30 June 2023.

Material impairment of debtors

8. As disclosed in note 4 to the financial statements, a material impairment of R11 816 875 was incurred as a result of a provision to write off debtors as irrecoverable.

Other matters

9. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

10. In terms of section 125(2)(e) of the MFMA, the district municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

11. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the GRAP and the requirements of the MFMA and Dora; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
12. In preparing the financial statements, the accounting officer is responsible for assessing the district municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the district municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

13. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
14. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the annual performance report
--

15. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected material

performance indicators presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.

16. I selected the following material performance indicators related to strategic objective 2: *Deliver services and implement projects in line with the mandate of EDM* and strategic objective 3: *Create a conducive environment for district socioeconomic development and growth* presented in the annual performance report for the year ended 30 June 2023. I selected those indicators that measure the district municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

- Number of disaster risk management and public safety awareness campaigns held
- Number of microbiological and chemical samples analysed
- Number of inspections conducted on accommodation establishments
- Number of inspections conducted on schools facilities
- Number of inspections conducted on clinic facilities
- Number of inspections conducted on hospital facilities
- Number of inspections conducted on food premises
- Number of inspections conducted on funeral undertaker facilities
- Number of illegal dumping sites cleared and rehabilitated
- Number of portable recycling stations installed
- Number of technical services projects completed
- Number of work opportunities created through the EDM sector-based skills development programme and parks cleaning programme
- Number of SMMEs/cooperatives benefiting from mentorship programmes
- Number of small-scale farmers supported by means of a structured support programme
- Number of households supported in terms of food production and rainwater harvesting equipment
- Number of guesthouses supported on grading requirements, marketing, skills development, HR and service standards
- Number of GBVF projects implemented
- Number of youth projects implemented
- Number of women empowerment projects implemented
- Number of disability projects implemented
- Number of district positive living conventions held
- Number of World Aids day events held
- Number of World TB day held events held
- Finalisation of awarding bursaries for 2023 to students by the bursary committee
- Number of mayoral outreach projects held

17. I evaluated the reported performance information for the selected material performance indicators against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the district municipality's planning and delivery on its mandate and objectives.

18. I performed procedures to test whether:

- the indicators used for planning and reporting on performance can be linked directly to the district municipality's mandate and the achievement of its planned objectives
- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner
- there is adequate supporting evidence for the achievements reported and for the measures taken to improve performance.

19. I performed the procedures to report material findings only; and not to express an assurance opinion or conclusion.

20. I did not identify any material findings on the reported performance information for the selected indicators.

Other matter

21. I draw attention to the matter below.

Achievement of planned targets

22. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance.

Report on compliance with legislation

23. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the district municipality's compliance with legislation.

24. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.

25. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the district municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.

26. I did not identify any material non-compliance with the selected legislative requirements.

Other information in the annual report

27. The accounting officer is responsible for the other information included in the annual report.

The other information referred to does not include the financial statements, the auditor's report and those selected material indicators in the scoped-in objectives presented in the annual performance report that have been specifically reported on in this auditor's report.

28. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.

29. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected material indicators in the scoped-in objectives presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

30. If, based on the work I have performed, I conclude that there is a material misstatement in this other information, I am required to report that fact.

31. I have nothing to report in this regard.

Internal control deficiencies

32. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.

33. I did not identify any significant deficiencies in internal control.

Auditor- General

Mbombela

30 November 2023

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected material performance indicators and on the district municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the district municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the district municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a district municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.
