

Report of the auditor-general to the North West Provincial Legislature and the council on Dr Kenneth Kaunda District Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Dr Kenneth Kaunda District Municipality set out on pages xx to xx, which comprise the appropriation statement, statement of financial position as at 30 June 2025, statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Dr Kenneth Kaunda District Municipality as at 30 June 2025 and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practice (GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 24 of 2024 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.
7. As disclosed in note 34 to the financial statements, unauthorised expenditure of R75 698 064 that was incurred in the previous years was still under investigation.
8. As disclosed in note 35 to the financial statements, fruitless and wasteful expenditure of R767 505 was incurred in the current year and fruitless and wasteful expenditure of

R12 372 036 from prior years have not yet been dealt with in accordance with section 32 of the MFMA.

9. As disclosed in note 36 to the financial statements, irregular expenditure of R37 087 123 was incurred, as proper tender processes were not followed and irregular expenditure of R349 405 775 that was incurred in the previous years was still under investigation.
10. As disclosed in note 31 of the financial statements, the corresponding figures for 30 June 2024 were restated as a result of errors in the financial statements of the municipality at, and for the year ended, 30 June 2025.

Other matters

11. I draw attention to the matters below. My opinion is not modified in respect of these matters.
12. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.
13. The supplementary information set out on pages xx to xx does not form part of the financial statements and is presented as additional information. I have not audited these schedule(s) and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

14. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and the Dora and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
15. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

16. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

17. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report. This description, which is located at page XX of the annexure to the auditor's report, forms part of our auditor's report.

Report on the annual performance report

18. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected material performance indicators presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.

19. I selected the following material performance indicators related to key performance area 1: basic service delivery and infrastructure development presented in the annual performance report for the year ended 30 June 2025 for auditing. I selected those indicators that measure the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

- KPI 3 – number of compliance reports on drinking water samples taken and tested from JB Marks, Matlosana and Maquassi Hills local municipalities
- KPI 4 – number of water samples taken and tested at the reservoirs in JB Marks, Matlosana and Maquassi Hills local municipality
- KPI 5 – number of waste inspections conducted
- KPI 6 – number of air quality management inspections conducted within Dr Kenneth Kaunda District
- KPI 7 – number of compliance reports on food control taken from JB Marks, Matlosana and Maquassi Hills local municipalities
- KPI 8 – total kilometres of unpaved roads assessed within Maquassi Hills Local Municipality, JB Marks Local Municipality and Matlosana Local Municipality

20. I evaluated the reported performance information for the selected material performance indicators against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.

21. I performed procedures to test whether:

- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
- all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included

- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner and is comparable and understandable
- there is adequate supporting evidence for the achievements reported and measures taken to improve performance.

22. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

23. I did not identify any material findings on the reported performance information for the selected indicators.

Other matters

24. I draw attention to the matter below.

Achievement of planned targets

25. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance.

26. The table that follows provides information on the achievement of planned targets and lists the key indicators that were not achieved as reported in the annual performance report. The measures taken to improve performance are included in the annual performance report on pages [xx to xx].

Basic service delivery and infrastructure development

<i>Targets achieved: 77%</i> <i>Budget spent: 99%</i>		
Key indicator not achieved	Planned target	Reported achievement
Number of pumps retrofitted to reduce electricity consumption within Maquassi Hills LM PLN	3 water pumps 1 raw sewerage pump	0

Report on compliance with legislation

27. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
28. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
29. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
30. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Financial statements and annual reports

31. The financial statements submitted for auditing were not fully prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of disclosure items identified by the auditors in the submitted financial statements were subsequently corrected, resulting in the financial statements receiving an unqualified audit opinion.

Expenditure management

32. Reasonable steps were not taken to prevent irregular expenditure amounting to R37 087 123 as disclosed in note 37 to the annual financial statements, as required by section 62(1)(d) of the MFMA. The majority of the irregular expenditure was caused not following quotation processes and irregular expenditure transferred to the municipality after the agency was wound up.
33. Reasonable steps were not taken to prevent fruitless and wasteful expenditure amounting to R767 505, as disclosed in note 36 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. Most of the disclosed fruitless and wasteful expenditure was caused by the agency prior to being wound up, interest on late payment and duplicates payments salaries and expenditure payments.

Consequence management

34. Unauthorised expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(a) of the MFMA.

35. Some of the irregular, fruitless and wasteful expenditure incurred by the municipality were not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.

Governance and oversight

36. The Internal Audit unit did not advise the accounting officer and/or did not report to the audit committee on the implementation of the internal audit plan on matters relating to risk management, as required by section 165(2)(b)(iv) of the MFMA.

Other information in the annual report

37. The accounting officer is responsible for the other information included in the annual report. The other information does not include the financial statements, the auditor's report and those selected material performance indicators presented in the annual performance report that have been specifically reported on in this auditor's report.
38. My opinion on the financial statements, the findings on the reported performance information and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
39. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected material indicators in the scoped-in development priorities presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
40. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected, this will not be necessary.

Internal control deficiencies

41. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
42. The matters reported below are limited to the significant internal control deficiencies that resulted in the basis for the opinion and the material findings on compliance with legislation included in this report.
43. Management did not have sufficient monitoring controls to ensure adherence to the internal policies and procedures, oversight and monitoring were not properly exercised over the preparation and review process of the annual financial statements prior to submission for audit.

44. Management did not implement effective internal controls and oversight mechanisms to ensure that all reported unauthorised, irregular and fruitless and wasteful expenditure is investigated timeously and in accordance with MFMA requirements.
45. Management did not ensure that the action plans address internal control deficiencies and the real root causes, that corrective actions are taken in a timely manner to prevent recurring audit findings, particularly in the area of annual financial statements and compliance with laws and regulations.

Other reports

46. I draw attention to the following engagements conducted by various parties. These reports did not form part of my opinion on the financial statements, my findings on the reported performance information or compliance with legislation.
47. An investigation into fraud allegations was conducted by the Directorate for Priority Crime Investigation (Hawks), which led to two employees being charged with theft and money laundering. Internal investigations started during the current year and are still ongoing.

Auditor-General.
Rustenburg

30 November 2025

AUDITOR-GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected material performance indicators and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	Sections: 1, 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 28(1), 29(1), 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii), 32(2)(b), 32(6)(a), 32(7), 33(1)(c)(ii), 53(1)(c)(ii), 53(1)(c)(iii)(bb), 54(1)(c), 62(1)(d), 63(2)(a), 63(2)(c), 64(2)(b), 64(2)(c), 64(2)(e), 64(2)(f), 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e), 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1), 122(2), 126(1)(a), 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii), 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 165(1), 165(2)(a), 165(2)(b)(ii), 165(2)(b)(iv), 165(2)(b)(v), 165(2)(b)(vii), 166(2)(b), 166(2)(a)(iv), 166(5), 170, 171(4)(a), 171(4)(b)
