

Report of the auditor-general to the Northern Cape Provincial Legislature and the council on John Taolo Gaetsewe District Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the John Taolo Gaetsewe District Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2024, statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the John Taolo Gaetsewe District Municipality as at 30 June 2024 and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practise (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 5 of 2023 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter

6. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Going concern

7. I draw attention to note 38 in the financial statements, which deals with the possible effects of the future implications of continuing deterioration in operational results on the municipality's

prospects, performance and cash flows. Management have also described how they plan to deal with these events and circumstances.

Other matter

8. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

9. In terms of section 125(2)(e) of the MFMA, the particulars of non-compliance with the MFMA should be disclosed in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

10. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and the Dora; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

11. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

12. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

13. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report. This description, which is located at page 8 - 9, forms part of our auditor's report.

Report on the annual performance report

14. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected material

performance indicators presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.

15. I selected the following material performance indicators related to KPA 1 – Basic Infrastructure Delivery and Infrastructure Development presented in the annual performance report for the year ended 30 June 2024. I selected those indicators that measure the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

- Number of quarterly progress reports on the eradication of mud houses submitted to the Municipal Manager by 30 June.
- Provision of emergency housing report submitted to the Municipal Manager by 30 June.
- Number of monthly RRAMS expenditure reports submitted to Department of Transport by 30 June.
- Annual RRAMS Business Plan submitted to Department of Transport by 31 May.
- Service provider appointed to provide support with the updating of the RRAMS by 30 June.
- Number of quarterly RRAMS progress reports submitted to Department of Transport by 30 June.
- Number of quarterly Joe Morolong LM internal road monitoring reports submitted to the Municipal Manager by 30 June.
- Number of quarterly Gamagara LM internal road monitoring reports submitted to the Municipal Manager by 30 June.
- Number of quarterly Ga-Segonyana LM internal road monitoring reports submitted to the Municipal Manager by 30 June.
- 3 revised Internal Roads Paving EPWP Business Plans submitted to the Provincial Department by 31 October.
- Number of quarterly progress reports on water service authority Municipal Systems Act section 78 assessment submitted to the municipal manager by 30 June.
- Number of biannual progress reports on the Vaal Gamagara water pipe outlet for neighbouring villages submitted to the Municipal Manager by 30 June.
- Water services Development Plan (WSDP) developed by 30 June.
- Water Resource Management Strategy developed by 30 June.

16. I evaluated the reported performance information for the selected material performance indicators against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared

using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.

17. I performed procedures to test whether:

- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives.
- all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included.
- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements.
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated.
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents.
- the reported performance information presented in the annual performance report in the prescribed manner.
- there is adequate supporting evidence for the achievements reported and for measures taken to improve performance.

18. I performed the procedures to report material findings only; and not to express an assurance opinion or conclusion.

19. I did not identify any material findings on the reported performance information for the selected indicators.

Report on compliance with legislation

20. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.

21. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.

22. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently

detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.

23. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Expenditure management

24. Reasonable steps were not taken to prevent unauthorised expenditure amounting to R11 228 515, as disclosed in note 39 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA.

Utilisation of conditional grants

25. Performance in respect of programmes funded by the Infrastructure Skills Development Grant and Rural Roads Asset Management Grant were not evaluated within two months after the end of the financial year, as required by section 12(5) of the Division of Revenue Act.

Other information in the annual report

26. The accounting officer is responsible for the other information included in the annual report. The other information referred to does not include the financial statements, the auditor's report and those selected indicators presented in the annual performance report that have been specifically reported on in this auditor's report.
27. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
28. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected indicators presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
29. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

30. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.

31. The matters reported below are limited to the significant internal control deficiencies that resulted in the material findings on compliance with legislation included in this report.
32. Management did not monitor implementation of internal controls regarding compliance within the district municipality which resulted in material non-compliance with laws and regulations.

Material irregularities

33. In accordance with the PAA and the Material Irregularity Regulations, I have a responsibility to report on material irregularities identified during the audit and on the status of material irregularities as previously reported in the auditor's report.

Status of previously reported material irregularities

The appointment of consultants to prepare Annual Financial Statements (AFS) was not effective, efficient and economical as required by section 62(1)(a) of the MFMA.

34. The municipality has been making use of consultants for the preparation of annual financial statements without developing the municipality's internal capacity to prepare financial statements, which resulted in a non-compliance with section 62(1)(a) of the MFMA, as the resources of the municipality were not used effectively, effectively and economically.
35. The accounting officer was notified of the material irregularity on 15 February 2023 and made written submission of the actions to be taken to address the matter.
36. The accounting officer has re-configured the organizational structure to incorporate a unit in the Budget and Treasury office, responsible for the preparation of financial statements. A manager for Financial Reporting and Support was appointed effective from 01 May 2024. Furthermore, training courses on GRAP and financial statements preparation were conducted for the internal staff during the 2023 financial year.
37. The consultancy costs have reduced significantly over the last three years as consultants were appointed on a reduced scope of reviewing the financial statements; the contract ended on 31 May 2024 and was not renewed or extended.
38. The Municipal Public Accounts Committee (MPAC) also conducted an investigation into the identified material irregularity.
39. Based on the above actions taken by the accounting officer, the material irregularity has been resolved.

Other reports

40. In addition to the investigations relating to material irregularities, I draw attention to the following engagements conducted by various parties. These reports did not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.

41. The municipality is still undergoing investigations which are conducted by the Directorate for Priority Crime Investigation (Hawks). The investigations are relating to fraud and money laundering regarding the procurement processes of the temporary residential units and the appointing service providers without following tender procurement processes.

Auditor General

Kimberley

30 November 2024

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected indicators and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	<p>Sections: 1, 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 28(1), 29(1), 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii),</p> <p>Sections: 32(2)(b), 32(6)(a), 32(7), 53(1)(c)(ii), 54(1)(c), 62(1)(d), 63(2)(a), 63(2)(c), 64(2)(b), 64(2)(c), 64(2)(e), 64(2)(f),</p> <p>Sections: 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e), 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1), 122(2), 126(1)(a),</p> <p>Sections: 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii), 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 170, 171(4)(a), 171(4)(b)</p>
MFMA: Municipal budget and reporting regulations, 2009	Regulations: 71(1)(a), 71(1)(a)(b), 71(2)(a), 71(2)(b), 71(2)(d), 72(a), 72(b), 72(c)
