

Report of the auditor-general to Limpopo Provincial Legislature on the Greater Letaba Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Greater Letaba Local Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2025, statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget information with actual information for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Greater Letaba Local Municipality as at 30 June 2025 and its financial performance and cash flows for the year then ended in accordance with Standards of Generally Recognised Accounting Practice (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA), and the Division of Revenue Act 24 of 2024 (DoRA).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.

Emphasis of matters

5. I draw attention to the matters below. My opinion is not modified in respect of these matters.
6. As disclosed in note 8, note 9 and note 11 of the financial statements, material impairments amounting to R188 393 836 (2024: R182 048 359), R108 571 278 (2024: 92 609 176) and R162 191 421 (2024: R161 032 518) were made to receivables from exchange transactions, receivables from non-exchange transactions and consumer debtors, respectively, because of irrecoverable debts.
7. With reference to note 41 to the financial statements, the municipality is the defendant in various claims, which it is opposing. The ultimate outcome of these matters cannot presently

be determined and no provision for any liability that may result was made in the financial statements.

8. As disclosed in note 53 to the financial statements, the corresponding figures for 30 June 2024 were restated as a result of errors in the financial statements of the municipality at, and for the year ended, 30 June 2025.
9. We draw attention to note 54 in the financial statements, which deals with the possible effects of the future implications of continuing deterioration in operational results on the municipality's prospects, performance, and cash flows.

Other matter

10. I draw attention to the matter below. My opinion is not modified in respect of this matter.
11. The supplementary information set out on pages xx to xx does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion on them.

Responsibilities of the accounting officer for the financial statements

12. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and DoRA; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
13. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

14. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
15. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the audit of the annual performance report

16. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected development priorities presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.
17. I selected the following development priorities presented in the annual performance report for the year ended 30 June 2025 for auditing. I selected development priorities that measures the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

Development priority	Page numbers	Purpose
KPA 3 – Basic service delivery	xx	To ensure quality services to communities

18. I evaluated the reported performance information for the selected development priority against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.
19. I performed procedures to test whether:
- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
 - all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included
 - the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
 - the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
 - the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
 - the reported performance information is presented in the annual performance report in the prescribed manner and is comparable and understandable

- there is adequate supporting evidence for the achievements reported and for the reasons provided for any over- or underachievement of targets / measures taken to improve performance

20. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

21. The material findings on the reported performance information for the selected development priorities are as follows:

KPA 3: Basic service delivery

Number of planned maintenances done

22. The target of 100% does not relate directly to the indicator, which measures number of planned maintenances done. This makes it difficult to plan for the achievement of the indicator. Consequently, the reported achievement does not provide useful information on the indicator's achievement.

% of reported potholes complaints resolved within standard municipal response

23. An achievement of 100% of reported potholes complaints resolved within standard municipal response was reported against a target of 100% of reported potholes complaints resolved within standard municipal response. I could not determine if the reported achievement was correct, as adequate supporting evidence was not provided for auditing. Consequently, the achievement might be more or less than reported and was not reliable for determining if the target had been achieved.

Other matters

24. I draw attention to the matters below.

Achievement of planned targets

25. The annual performance report includes information on reported achievements against planned targets and provides explanations for over- or under achievements / measures taken to improve performance. This information should be considered in the context of the material findings on the reported performance information.

26. The table that follows provide information on the achievement of planned targets and list the key service delivery indicators that were not achieved as reported in the annual performance report. The reasons for any under achievement of targets / measures taken to improve performance are included in the annual performance report on pages xx to xx.

<i>Targets achieved: 93.7%</i>		
Key indicators not achieved	Planned target	Reported achievement
Number of kilometres of unsurfaced roads graded	800km	611km

Report on compliance with legislation

27. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
28. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
29. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
30. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Annual financial statements and annual report

31. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA.
32. Material misstatements of accumulated surplus, statutory receivables, VAT payable accruals, receivables from exchange transactions and the cash flow statement identified by the auditors in the submitted financial statements were subsequently corrected and the supporting records were provided subsequently, resulting in the financial statements receiving an unqualified audit opinion.

Strategic planning and performance management

33. The performance management system and related controls were inadequate as it did not describe how the performance planning, monitoring, review and reporting processes should be conducted and managed, as required by municipal planning and performance management regulation 7(1).

Expenditure management

34. Reasonable steps were not taken to prevent unauthorised expenditure amounting to R51 763 950, as disclosed in note 44 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The unauthorised expenditure was caused by overspending of the approved total budget.

35. Reasonable steps were not taken to prevent fruitless and wasteful expenditure amounting to R3 749 079, as disclosed in note 45 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the disclosed fruitless and wasteful expenditure was caused by losses incurred due to the writing off of cost incurred on construction of two roads not belonging to the municipality.

Other information in the annual report

36. The accounting officer is responsible for the other information included in the annual report, which includes the audit committee's report. The other information referred to does not include the financial statements, the auditor's report and those selected development priorities presented in the annual performance report that have been specifically reported on in this auditor's report.
37. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
38. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected development priorities presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
39. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

40. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
41. The matters reported below are limited to the significant internal control deficiencies that resulted in the material findings on the annual performance report and the material findings on compliance with legislation included in this report.
42. Management's internal controls and processes over the preparation of the financial statements and annual performance report were not adequate to ensure that the financial statements were free from material misstatements and that all Standards of GRAP and disclosure requirements were met.

43. The municipality did not have sufficient monitoring controls to ensure the proper implementation of the overall processes of compliance with legislation. Non-compliance with legislation could have been prevented had compliance been properly reviewed and monitored

Auditor General

Polokwane

08 December 2025

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the statements and the procedures performed on reported performance information for selected development priorities and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made.
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause the municipality to cease operating as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the Accounting Officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the Accounting Officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	Sections: 1, 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 28(1), 29(1), 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii), Sections: 32(2)(b), 32(6)(a), 32(7), 33(1)(c)(ii), 53(1)(c)(ii), 53(1)(c)(iii)(bb), 54(1)(c), 62(1)(d), 63(2)(a), 63(2)(c), 64(2)(b), 64(2)(c), 64(2)(e), 64(2)(f), 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e), 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1), 122(2), 126(1)(a), 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii), 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 165(1), 165(2)(a), 165(2)(b)(ii), 165(2)(b)(iv), 165(2)(b)(v), 165(2)(b)(vii), 166(2)(b), 166(2)(a)(iv), 166(5), 170, 171(4)(a), 171(4)(b)
MFMA: Municipal budget and reporting regulations, 2009	Regulations: 71(1)(a), 71(1)(a)(b), 71(2)(a), 71(2)(b), 71(2)(d), 72(a), 72(b), 72(c)
MFMA: Municipal Investment Regulations, 2005	Regulations: 3(1)(a), 3(3), 6, 7, 12(2), 12(3)
