

Report of the auditor-general to the Mpumalanga Provincial Legislature and the council on Mkhondo Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Mkhondo Local Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2024, statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Mkhondo Local Municipality as at 30 June 2024 and its financial performance and cash flows for the year then ended in accordance with Generally Recognised Accounting Practice (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 5 of 2023 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Material impairments

7. As disclosed in note 5 to the financial statements, material impairment of receivables from non-exchange transactions of R228,29 million (2022-23: R201,04 million), was incurred as a result of an impairment provision for doubtful debts.

8. As disclosed in note 7 to the financial statements, material impairment of consumer debtors of R658,27 million (2022-23: R569,53 million), was incurred as a result of an impairment provision for doubtful debts.

Restatement of corresponding figures

9. As disclosed in note 51 to the financial statements, the corresponding figures for 30 June 2023 were restated as a result of an error in the financial statements of the municipality at, and for the year ended 30 June 2024.

Close calls relating to going concern

10. We draw attention to note 54 of the financial statements, which deal with the possible effects of the future implications of the deteriorating liquidity situation on the municipality's prospects, performance and cash flows. Management has also described how they plan to deal with these events and circumstances. Our opinion is not modified with respect to this matter.

Irregular expenditure

11. As disclosed in note 59 to the financial statements, irregular expenditure of R12,21 million was incurred as a result of non-compliance with supply chain management legislation.

Material losses - Electricity

12. As disclosed in note 60 to the financial statements, material electricity losses amounting to R80,96 million (2022-23: R58,31 million) was incurred, which represents 45% (2022-23: 40%) of total electricity purchased. The losses are as a result of technical losses, which are losses inherent in any network, and non-technical losses, being theft, faults and billing errors.

Other matter

13. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure note

14. Unaudited disclosure note in terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

15. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and Dora; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

16. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the local municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

17. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

18. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report. This description, which is located at page xx, forms part of our auditor's report.

Report on the audit of the annual performance report

19. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected key performance area presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.

20. I selected the following key performance area presented in the annual performance report for the year ended 30 June 2024 for auditing. I selected a key performance area that measures the local municipality's performance on its primary mandated functions and that is of significant national, community or public interest.

Key performance area	Page numbers	Purpose
Basic service delivery	[XX]	To ensure provision of basic services

21. I evaluated the reported performance information for the selected key performance area against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the local municipality's planning and delivery on its mandate and objectives.

22. I performed procedures to test whether:

- the indicators used for planning and reporting on performance can be linked directly to the local municipality's mandate and the achievement of its planned objectives
- all the indicators relevant for measuring the local municipality's performance against its primary mandated and prioritised functions and planned objectives are included
- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner and is comparable and understandable.
- there is adequate supporting evidence for the achievements reported and for the reasons provided for any over- or underachievement of targets / measures taken to improve performance

23. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

24. I did not identify any material findings on the reported performance information for the selected key performance area.

Other matters

25. I draw attention to the matter below.

Achievement of planned targets

26. The annual performance report includes information on reported achievements against planned targets and measures taken to improve performance.

27. The table that follows provides information on the achievement of planned targets and lists the key service delivery indicators that were not achieved as reported in the annual performance report. The measures taken to improve performance are included in the annual performance report on pages xx to xx.

Basic Service delivery

<i>Targets achieved: 86%</i> <i>Budget spent: 99.6%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement

Construction of Amsterdam Sewer Reticulation	Construction 100%	Construction 85.6%
Construction of steel pedestrian bridge at Mafred in eThandukukhanya	Construction 100%	Construction 85%
Construction of Driefontein sanitation infrastructure	Construction 100%	Construction 94%

Material misstatements

28. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information for basic service delivery. Management subsequently corrected all the misstatements and I did not include any material findings in this report.

Report on compliance with legislation

29. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the local municipality's compliance with legislation.

30. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.

31. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.

32. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Annual financial statement

33. The financial statements submitted for auditing were not fully prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of the disclosure items identified by the auditors in the submitted financial statement were subsequently corrected, resulting in the financial statements receiving an unqualified audit opinion.

Expenditure management

34. Money owed by the municipality was not always paid within 30 days as required by section 65(2)(e) of the MFMA.
35. Reasonable steps were not taken to prevent unauthorised expenditure amounting to R99,13 million, as disclosed in note 57 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the unauthorised expenditure was caused by overspending of the votes.
36. Reasonable steps were not taken to prevent fruitless and wasteful expenditure amounting to R39,59 million, as disclosed in note 58 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the disclosed fruitless and wasteful expenditure was caused by the interest and penalties on overdue accounts.

Other information in the annual report

37. The accounting officer is responsible for the other information included in the annual report. The other information referred to does not include the financial statements, the auditor's report and those selected key performance area presented in the annual performance report that have been specifically reported on in this auditor's report.
38. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
39. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected key performance area presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
40. If, based on the work I have performed, I conclude that there is a material misstatement in this other information, I am required to report that fact.
41. I have nothing to report in this regard.

Internal control deficiencies

42. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
43. The matters reported below are limited to the significant internal control deficiencies that resulted in the material findings on compliance with legislation included in this report.
44. Senior management did not adequately implement and monitor the audit action plan to address internal control deficiencies identified in the prior year. As a result, repetitive material misstatements on the financial statements were identified in the current year.

45. Senior management did not monitor compliance with applicable laws and regulations as a result material compliance issues were identified on expenditure management.

Material irregularities

46. In accordance with the PAA and the Material Irregularity Regulations, I have a responsibility to report on material irregularities identified during the audit and on the status of material irregularities as previously reported in the auditor's report.

Status of previously reported material irregularities

Appointment of a consultant of VAT recovery/review on a commission based basis that is not cost effective

47. A consultant was appointed to provide VAT review/recovery services for the municipality for a period of 36 months starting on the 1st of October 2020 until the 30th of September 2023. The consultant was not appointed on a time and cost basis as required by the regulations, but on a contingency basis of 10% commission on the VAT. Consequently, section 62(1)(a) of the MFMA and Regulation 5 of the Municipal Cost Containment Regulations were not complied with as reasonable steps were not taken to ensure that the resources of the municipality are used effectively, efficiently, and economically. The non-compliance was likely to result in a material financial loss for the municipality.

48. The accounting officer was notified of this material irregularity on 26 April 2023 and was invited to make a written submission on the actions taken and that will be taken to address the matter. The contract ended on 30 September 2023 and the accounting officer did not renew the contract with the consultants and ensured the VAT returns done in-house.

49. The material irregularity is therefore resolved.

Auditor - General

Mbombela

25 January 2025

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected key performance area and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	<p>Section 1 - Paragraph (a), (b) & (d) of the definition: irregular expenditure</p> <p>Section 1 - Definition: service delivery and budget implementation plan,</p> <p>Sections 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 29(1),</p> <p>Sections 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii), 32(2)(b),</p> <p>Sections 32(6)(a), 32(7), 53(1)(c)(ii), 54(1)(c), 62(1)(d), 62(1)(f)(i),</p> <p>Sections 62(1)(f)(ii), 62(1)(f)(iii), 63(1)(a), 63(2)(a), 63(2)(c), 64(2)(b),</p> <p>Sections 64(2)(c), 64(2)(e), 64(2)(f), 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e),</p> <p>Sections 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1),</p> <p>Sections 122(2), 126(1)(a), 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii),</p> <p>Sections 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 170,</p> <p>Sections 171(4)(a), 171(4)(b)</p>
MFMA: Municipal Budget and Reporting Regulations, 2009	Regulations 71(1), 71(2), 72
