

Report of the auditor-general to the Northern Cape Provincial Legislature and the council on Hantam Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Hantam Local Municipality set out on pages X to X, which comprise the statement of financial position as at 30 June 2021, the statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget information with actual information for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Hantam Local Municipality as at 30 June 2021, and its financial performance and cash flows for the year then ended in accordance with Standards of Generally Recognised Accounting Practice (Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2020 (Act No. 4 of 2020) (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Impairments – receivables from exchange and non-exchange transactions

7. As disclosed in note 10 to the financial statements, a provision for debt impairment of R31 064 131 (2020: R28 835 054) was provided for as a result of the municipality's assessment of the recoverability of receivables from exchange transactions.

8. As disclosed in note 11 to the financial statements, a provision for debt impairment of R24 643 701 (2020: R21 707 689) was provided for as a result of the municipality's assessment of the recoverability of receivables from non-exchange transactions.

Bad Debts Written Off

9. As disclosed in the statement of financial performance, material losses of R4 939 658 (2020: R2 377 937) was incurred as a result of a write-off of irrecoverable trade debtors.

Material losses - electricity

10. As disclosed in note 50.8 to the financial statements, material electricity distribution losses of R3 116 716 (2020: R3 658 653) was incurred, which represents 14.2 % (2020: 17.1%) of total electricity purchased.

Unauthorised expenditure

11. As disclosed in note 49.1 to the financial statements. The municipality incurred unauthorised expenditure of R2 248 077 (2020: R8 767 014), as they overspent on votes.

Irregular expenditure

12. As disclosed in note 49.3 to the financial statements, the municipality incurred irregular expenditure of R45 734 634 (2020: R59 867 690), as in prior years the bid adjudication committee was not constituted in accordance with SCM Regulation 29(2) and tender requirements did not include a condition for mandatory subcontracting to advance designated groups in terms of PPR 9(1).

Events after the reporting period

13. We draw attention to note 59 in the financial statements, which deals with subsequent events and specifically the review of the Council's decision to write-off unauthorised expenditure incurred in the 2020 financial year. It was found that the unauthorised expenditure was not sufficiently investigated prior to Council recommended write-off. The write-off per Council decision was rescinded and a new council resolution was made to refer the unauthorised expenditure to MPAC (Municipal Public Accounts Committee) for investigation and subsequent recommendation to Council.

Restatement of corresponding figures

14. As disclosed in note 43 to the financial statements, the corresponding figures for 30 June 2020 have been restated as a result of an errors in the financial statements of the municipality at, and for the year ended, 30 June 2021.

Other matters

15. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited disclosure notes

16. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Unaudited supplementary schedules

17. The supplementary information set out on pages XX to XX does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion on them.

Responsibilities of the accounting officer for the financial statements

18. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and Dora, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
19. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Auditor-general's responsibilities for the audit of the financial statements

20. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
21. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the audit of the annual performance report

Introduction and scope

22. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I have a responsibility to report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected objective presented in the annual performance report. I performed procedures to identify material findings but not to gather evidence to express assurance.
23. My procedures address the usefulness and reliability of the reported performance information, which must be based on the municipality's approved performance planning documents. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures do not examine whether the actions taken by the municipality enabled service delivery. My procedures do not extend to any disclosures or assertions relating to the extent of achievements in the current year or planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
24. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected objective presented in the municipality's annual performance report for the year ended 30 June 2021:

Objective	Pages in the annual performance report
Objective 1- Infrastructure development and basic service delivery	x – x

25. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
26. I did not identify any material findings on the usefulness and reliability of the reported performance information for this objective

- Objective 1 - Infrastructure development and basic service delivery

Other matters

27. I draw attention to the matters below.

Achievement of planned targets

28. Refer to the annual performance report on pages X to X for information on the achievement of planned targets for the year of targets.

Adjustment of material misstatements

29. I identified a material misstatement in the annual performance report submitted for auditing. This material misstatement was in the reported performance information of Infrastructure development and basic service delivery. As management subsequently corrected the misstatement, I did not raise any material findings on the usefulness and reliability of the reported performance information

Report on the audit of compliance with legislation

Introduction and scope

30. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the municipality's compliance with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.
31. I did not identify any material findings on compliance with the specific matters in key legislation set out in the general notice issued in terms of the PAA.

Other information

32. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report. The other information does not include the financial statements, the auditor's report and those selected objectives presented in the annual performance report that have been specifically reported in this auditor's report.
33. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion on it.
34. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected objectives presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
35. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

36. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. I did not identify any significant deficiencies in internal control.

Auditor General

Kimberley

29 March 2022

AUDITOR-GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure – Auditor-general's responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected objective and on the municipality's compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:
 - identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
 - conclude on the appropriateness of the accounting officer's use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of Hantam Local Municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease operating as a going concern
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and

other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.
