

Report of the auditor-general to the Northern Cape Provincial Legislature and the council on Khai-Ma Local Municipality

Report on the audit of the financial statements

Qualified opinion

1. I have audited the financial statements of the Khai-Ma Local Municipality set out on pages X to X, which comprise the statement of financial position as at 30 June 2024, statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, except for the effects and possible effects of the matters described in the basis for qualified opinion section of this auditor's report, the financial statements present fairly, in all material respects, the financial position of the Khai-Ma Local Municipality as at 30 June 2024, and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practise (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 5 of 2023 (Dora).

Basis for qualified opinion

Property, Plant and Equipment

3. The municipality did not recognise items of property, plant and equipment in accordance with GRAP 17, *Property, plant and equipment*, as the municipality did not have an adequate system of internal control to ensure that assets are correctly classified. Municipal offices and investment property were incorrectly classified as community assets and assets belonging to other organs of state were incorrectly recognised as community assets. Consequently, community assets in note 2.1 were overstated by R1 366 641 (2023: R4 735 775), municipal offices in note 2.1 were understated by R895 014 (2023: R2 547 260) and investment property were understated by R471 627 in the annual financial statements.
4. The municipality did not recognise items of property, plant and equipment in accordance with GRAP 17, *Property, plant and equipment*, as the municipality did not have an adequate system of internal control to ensure that assets are correctly classified. Investment property was incorrectly classified as other land resulting in other land in note 2.1 being overstated by R7 303 728 and investment property in note 3 being understated by the same amount. Additionally, there was an impact on the surplus for the period and on the accumulated surplus in the annual financial statements.
5. I was unable to obtain sufficient appropriate audit evidence for other land and water supply and roads and storm water, due to the status of accounting records. I was unable to confirm these physical assets by alternative means. Consequently, I was unable to determine whether any

adjustments were necessary to other land stated at R52 369 641, water supply stated at R70 627 917 (2023: R56 356 437) and roads and storm water stated at R8 699 098 in the financial statements.

6. The municipality did not correctly calculate the depreciation for other assets and roads and storm water as required by GRAP 17, Property, plant and equipment, as the municipality did not have system of internal control to account for changes in useful lives. The effect on the financial statements was that other assets in note 2.1 was overstated by R6 478 339 and roads and storm water in note 2.1 was overstated by R199 680, depreciation in note 33 was understated by R6 678 019. Additionally, there was an impact on the surplus for the period and on the accumulated surplus.
7. The municipality did not recognise items of property, plant and equipment in accordance with GRAP 17, Property, plant and equipment, as the municipality did not have an adequate systems of internal control to ensure that assets that meet the definition of other assets were recognised as required. I was unable to determine the full extent of the understatement of the other assets in the opening balance in note 2.1 as it was impracticable to do so.
8. I was unable to obtain sufficient appropriate audit evidence for infrastructure assets and transport assets due to corrective journals, work-in-progress register and transport assets that could not be supported. I was unable to confirm these infrastructure assets and other assets by alternative means. Consequently, I was unable to determine whether any adjustments were necessary to infrastructure assets, stated at R93 134 407 (2023: R79 928 080) and other transport assets stated at R673 023 (2023: R972 311) in the financial statements.
9. I was unable to obtain sufficient appropriate audit evidence for additions for the prior years, as the municipality did not maintain accurate and complete records to support the additions disclosed under other assets. I could not confirm the amounts by alternative means. Consequently, I was unable to determine whether any adjustments were necessary for other assets, stated at R60 010 224 (2023: R60 321 325) in the financial statements.

Receivables from exchange transactions

10. The municipality did not account for provision for debt impairment in accordance with *GRAP 104, Financial Instruments*. The basis applied to calculate the provision for debt impairment was not aligned with the requirements of GRAP 104. I was unable to determine the full extent of the misstatement of receivables from exchange transactions, stated at R120 060 887 in note 7 to the financial statements and the related provision for debt impairment, stated at R113 752 218 in note 7 to the financial statements, as it was impracticable to do so. Additionally, there was an impact on the surplus for the period and on the accumulated surplus.

Trade and Other Payables from Exchange Transactions

11. During 2023, I was unable to obtain sufficient appropriate audit evidence for trade payables and control, clearing and interface accounts included in trade and other payables from exchange transactions due to a lack of proper record keeping and reconciliation of control accounts. I was unable to confirm these trade payables and control, clearing and interface accounts by alternative means. Consequently, I was unable to determine whether any further adjustments to trade payables stated at R67 973 037 and control, clearing and interface accounts stated at (R8 345 939) in the financial statements were necessary. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified because of the possible effect of this matter on the comparability of the trade payables and control, clearing and interface accounts for the current period.

Service charges

12. The municipality did not recognise all sales of water as required by *GRAP 9, revenue from exchange transaction*. Properties were identified for which sales of water was not billed and recorded. I was unable to determine the full extent of the understatement of the sales of water included in services charges in note 24 and service debtors for water included in receivables from exchange transactions in note 7 and VAT receivable in note 18 as it was impracticable to do so for the current and prior year. There was a resultant impact on the surplus for the period and on the accumulated surplus.

13. I was unable to obtain sufficient appropriate audit evidence whether indigent applicants have met the criteria set by council to qualify for the relevant rebates as indigents, as the municipality did not have adequate systems in place. I was unable to confirm the revenue forgone by alternative means. Consequently, I was unable to determine whether any further adjustments were necessary to revenue forgone stated in note 24 to the financial statements.

14. During 2023, I was unable to obtain sufficient appropriate audit evidence for service charges due to corrective journals that could not be supported. I was unable to confirm the service charges by alternative means. Consequently, I was unable to determine whether any adjustment was necessary to service charges, stated at R21 712 993 in the financial statements. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified because of the possible effect of this matter on the comparability of the service charges for the current period.

Employee Related Costs

15. During 2023, I was unable to obtain sufficient appropriate audit evidence for basic salaries and wages included in employee related costs due to a lack of proper record keeping and reconciliation of salary reports. I was unable to confirm these basic salaries and wages by alternative means. Consequently, I was unable to determine whether any further adjustments to basic salaries and wages stated at R19 411 471 in note 30 to the financial statements were necessary. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified

because of the possible effect of this matter on the comparability of the employee related costs for the current period.

Cash Flow Statement

16. Net cash flows from operating activities was not correctly prepared and disclosed as required Standards of GRAP 2, *Cash flow statements*. This was due to errors in interest paid used in determining cash flows from operating activities. I was not able to determine the full extent of the errors in the net cash flows from operating activities, as it was impracticable to do so. Consequently, I was unable to determine whether any adjustments to cash flows from operating activities as stated at R15 618 248 in the financial statements were necessary.

Taxes

17. I was unable to obtain sufficient appropriate audit evidence for taxes, as the municipality did not maintain adequate records. I was unable to confirm the taxes by alternative means. Consequently, I was unable to determine whether any further adjustments were necessary to taxes stated at R14 090 211 (2023: R11 343 537) in the financial statements.

Inventory

18. The municipality did not account for water in accordance with GRAP 12, *Inventories*. The municipality did not measure the cost of water to include the purchase costs, conversion costs and other costs incurred in bringing the water to its present location and condition. Additionally, the carrying amount of water sold, exchanged or distributed during the financial year was not recognised as an expense. Consequently, water in note 6 was overstated by R7 086 640, inventory consumed in note 6 was understated by R9 585 561 (2023: R2 551 224), depreciation and amortisation in note 33 were overstated by R644 878 and employee related costs were overstated by R1 854 042 in the annual financial statements. Additionally, there was an impact on the surplus for the period and on the accumulated surplus.

19. I was unable to obtain sufficient appropriate audit evidence for housing stock, as the municipality did not maintain accurate and complete records of the supporting documents used to determine the cost of housing stock. I could not confirm the amounts by alternative means. Consequently, I was unable to determine whether any adjustment was necessary to housing stock stated at R1 265 346 (2023: R1 272 846) in the financial statements.

20. During 2023, I was unable to obtain sufficient appropriate audit evidence for consumables and water due to the supporting information not being submitted. I was unable to confirm these inventories by alternative means. Consequently, I was unable to determine whether any adjustment was necessary to consumables stated at R990 851 and water stated at R6 588 495 in the financial statements. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified because of the possible effect of this matter on the comparability of the consumables and water for the current period.

Property rates

21. The municipality did not recognise property rates in accordance with *GRAP 23, Revenue from non-exchange transactions*. The municipality did not calculate property rates in terms of the tariff policy. Consequently, property rates in note 20 and taxes-rates included in receivables from non-exchange transactions in note 8 was misstated by R21 919 718 (2023: R14 698 096). In addition, not all properties were included in the valuation roll. I was unable to determine the full extent of the understatement of property rates in note 20 and taxes-rates included in receivables from non-exchange transactions in note 8 for the current and prior year as it was impracticable to do so. Additionally, there was an impact on the surplus for the period and on the accumulated surplus.

Material Losses

22. During 2023, the municipality did not recognise water and electricity losses in accordance with section 125 (2) (d) of the MFMA, due to the municipality not maintaining adequate records of the number of water and electricity units distributed. I was unable to determine the full extent of the misstatement of water and electricity losses in note 46.8 for the prior year as it was impracticable to do so. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified because of the possible effect of this matter on the comparability of the material losses for the current period.

Fruitless and wasteful expenditure

23. I was unable to obtain sufficient appropriate audit evidence for fruitless and wasteful expenditure for the prior year, due to the status of the accounting records. The municipality did not have adequate systems of internal control for the recording of all transactions and events and could not reconcile the transactions and events to the financial statements. I could not confirm fruitless and wasteful expenditure by alternative means. Consequently, I was unable to determine whether any adjustment was necessary to fruitless and wasteful expenditure stated at R15 430 884 (2023: R11 525 623) in the financial statements.

Unauthorised Expenditure

24. I was unable to obtain sufficient appropriate audit evidence for unauthorised expenditure for the prior year, as the underlying records were not accurate and complete. I could not confirm the amounts by alternative means. Consequently, I was unable to determine whether any adjustments were necessary to unauthorised expenditure stated at R9 137 216 (2023: R0) in the financial statements.

Contracted Services

25. During 2023, the municipality did not recognise contracted services for the prior year in accordance with GRAP 1, *Presentation of financial statements*, as the municipality did not recognise contracted services to the extent of the goods and services rendered. Consequently, contracted services in note 32 was overstated by R1 106 069, trade and other payables from exchange transactions: trade payables in note 16 was overstated by R1 271 979 and taxes in note 18 was overstated by R165 910. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified because of the possible effect of this matter on the comparability of the contracted services for the current period.

Operational Costs

26. The municipality did not account for municipal services in accordance with GRAP 1, *Presentation of financial statements*, as the municipality did not have an adequate system of internal control to verify that goods and services were received. Consequently, municipal services in note 36 was overstated by R1 752 768, trade payables included in trade and other payables from exchange transactions in note 16 are overstated by R2 015 683, and VAT payable in note 18 are overstated by R262 915. Additionally, there was an impact on the surplus for the period and the accumulated surplus.
27. The municipality did not account for operational costs, excluding audit fees, management fees, municipal services and travel and subsistence in accordance with GRAP 1, *Presentation of financial statements*, as the municipality did not have an adequate system of internal control to verify that goods and services were received. Consequently, operational costs, excluding audit fees, management fees, municipal services and travel and subsistence in note 36 was overstated by R1 165 395 (2023: R2 472 070), trade payables included in trade and other payables from exchange transactions in note 16 are overstated by R1 340 205 (2023: R2 842 881) and VAT payable in note 18 are overstated by R174 809 (2023: R370 811). Additionally, there was an impact on the surplus for the period and the accumulated surplus.

Unspent Transfers and Subsidies

28. During 2023, I was unable to obtain sufficient appropriate audit evidence for unspent transfers and subsidies and transfers and subsidies payable due to the status of the accounting records. I could not confirm unspent transfers and subsidies and transfers and subsidies payable by alternative means. Consequently, I was unable to determine whether any further adjustments were necessary to unspent transfers and subsidies stated at R334 174 and transfers and subsidies payable stated at R2 972 807 in the financial statements. My audit opinion on the financial statements for the period ended 30 June 2023 was modified accordingly. My opinion on the current year financial statements is also modified because of the possible effect of this matter on the comparability of the unspent transfers and subsidies and transfers and subsidies payable for the current period.

Inventory Consumed

29. The municipality did not account for inventory consumed in accordance with GRAP 1, *Presentation of financial statements*, as the municipality did not have an adequate system of internal control to verify that goods and services were received. Consequently, inventory consumed in note 6 was overstated by R1 014 452, trade payables included in trade and other payables from exchange transactions in note 16 are overstated by R1 166 620, and VAT payable in note 18 are overstated by R152 168. Additionally, there was an impact on the surplus for the period and the accumulated surplus.

Irregular Expenditure

30. The municipality did not disclose all irregular expenditure incurred during the current and prior year, as required by section 125(2)(d) of the MFMA. The municipality incurred expenditure in contravention of the supply chain management requirements resulting in irregular expenditure being understated in the current and prior year. I was unable to determine the full extent of the understatement as it was impracticable to do so.

Segment Reporting

31. The municipality did not disclose segment reporting in accordance with GRAP 18, *Segment reporting*, due to the status of the accounting records. The municipality did not have adequate systems of internal control to account for segments in terms of GRAP. I was unable to determine the full extent of the misstatement of segment reporting in note 57 for the current year as it was impracticable to do so.

Total current assets

32. Total current assets was materially misstated by R2 455 440 due to the cumulative effect of individually immaterial uncorrected misstatements in the following items:

- Inventory – consumables in note 6 stated at R1 019 470 in note 6 was overstated by R645 140.
- Receivables from non-exchange transactions stated at R1 274 023 in note 8 was understated by R199 160 due to errors in provision for debt impairment.
- Receivables from exchange transactions - waste water management stated at R13 781 944 in note 7 was overstated by R777 296 due to errors in revenue from exchange transactions: waste water management.

In addition, I was unable to obtain sufficient appropriate audit evidence and to confirm the following items by alternative means:

- Receivables from exchange transactions - other arrears of R882 443 as included in the disclosed balance of R6 308 669 in note 7 to the financial statements.

Consequently, I was unable to determine whether any further adjustment was necessary to total current assets.

Total revenue

33. Total revenue was materially misstated by R1 607 771 due to the cumulative effect of individually immaterial uncorrected misstatements in the following items:

- Service charges – waste management stated at R2 211 870 in note 24 was understated by R522 179.
- Service charges – waste water management stated at R2 298 126 in note 24 was understated by R817 763.
- Service charges – electricity stated at R13 226 463 in note 24 was understated by R267 829.

Context for opinion

34. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.

35. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.

36. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of matters

37. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

38. As disclosed in note 39 to the financial statements, the corresponding figures for 30 June 2023 were restated as a result of an error in the financial statements of the municipality at, and for the year ended, 30 June 2024.

Financial sustainability

39. I draw attention to note 54 in the financial statements, which deals with the possible effects of the future implications of continuing deterioration in operational results on the municipality's prospects, performance, and cash flows. Management have also described how they plan to deal with these events and circumstances.

Other matters

40. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited disclosure notes

41. In terms of section 125(2)(e) of the MFMA, the particulars of non-compliance with the MFMA should be disclosed in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Unaudited supplementary schedules

42. The supplementary information set out on pages X to X does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion on them.

Responsibilities of the accounting officer for the financial statements

43. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and the DORA; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

44. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

45. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

46. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report. This description, which is located at page X, forms part of our auditor's report.

Report on the annual performance report

47. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected material performance indicators presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.

48. I selected the following material performance indicators related to Basic Service Delivery and Infrastructure presented in the annual performance report for the year ended 30 June 2024. I selected those indicators that measure the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

- TL 14: Nr of residential properties that which are billed for water or have pre-paid meters that is connected to the municipal water infrastructure network as at 30 June 2024
- TL 15: Nr of residential properties which are billed for electricity or have pre-paid meters as at 30 June 2024 (excl Eskom areas)
- TL 16: Nr of residential properties connected to the municipal waste water sanitation/ sewerage network for sewerage service, irrespective of the number of water closets (toilets) which are billed for sewerage as at 30 June 2024
- TL 17: Number of residential properties which are billed for refuse removal as at 30 June 2023
- TL 18: Provide free basic water to indigent households earning equal to two state grants as at 30 June 2024
- TL 19: Provide free basic electricity to indigent households earning equal to two state grants as at 30 June 2024
- TL 20: Provide free households gas to indigent households equal to two state grants as at 30 June 2024
- TL 21: Provide free basic sanitation to indigent households earning equal to two state grants as at 30 June 2024
- TL 22: Provide free basic refuse removal to indigent households earning equal to two state grants as at 30 June 2024
- TL 33: % spent of the library operational conditional grant by 30 June 2024 $\{(Actual\ expenditure\ divided\ by\ the\ total\ grant\ received)\ x\ 100\}$
- TL 34: Limit unaccounted for electricity to less than 12% by 30 June 2024 $\{(Number\ of\ Electricity\ Units\ Purchased\ -\ Number\ of\ Electricity\ Units\ Sold)\ / \ Number\ of\ Electricity\ Units\ Purchased\} \times 100\}$
- TL 35: Limit unaccounted for water to less than 50% by 30 June 2024 $\{(Number\ of\ Kiloliters\ Water\ Purified\ -\ Number\ of\ Kiloliters\ Water\ Sold)\ / \ Number\ of\ Kiloliters\ Water\ Purified\} \times 100\}$

- TL 36: % spent of the budget for the MIG Project: Upgrading of Bulk Water & Storage at Onseepkans and Witbank in terms of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)}
- TL 37: % spent of the budget (WSIG) for the upgrading of internal water reticulation, Pofadder of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)x100}
- TL 38: % of microbiological water quality level achieved as per SANS 241 by 30 June 2024
- TL 39: Wastewater quality measured in terms of the Department of Water and Sanitation's License Conditions for physical and micro parameters

49. I evaluated the reported performance information for the selected material performance indicators against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.

50. I performed procedures to test whether:

- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
- all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included
- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information presented in the annual performance report in the prescribed manner
- there is adequate supporting evidence for the achievements reported and for measures taken to improve performance.

51. I performed the procedures to report material findings only; and not to express an assurance opinion or conclusion.

52. The material findings on the reported performance information for the selected material indicators are as follows:

Reported indicators and/or targets not consistent when compared to planned indicators and/or targets and changes were not approved.

Various indicators

53. The indicators in the annual performance report differed from those committed to in the approved initial planning documents. These changes were made without obtaining the required approval, which undermines transparency and accountability.

Approved indicator	Reported indicator
The percentage of the municipal capital budget actually spent on capital projects by 30 June 2024 (Actual amount spent on capital projects /Total amount budgeted for capital projects)X100	Not reported
90% spent of the budget for the MIG Project: Upgrading 1of Bulk Water & Storage at Onseepkans in terms of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)}	90% spent of the budget for the MIG Project: Upgrading of Bulk Water & Storage at Onseepkans and Witbank in terms of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)}
90% spent of the budget(part of MIG allocation) for upgrade of Bulk Water and Reticulation at Witbank in terms of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)x100}	90% spent of the budget for the MIG Project: Upgrading of Bulk Water & Storage at Onseepkans and Witbank in terms of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)}

54. Reported targets not consistent when compared to planned targets and changes were not approved.

Approved Indicator	Planned target as per SDBIP	Planned target as per APR
Provide free basic electricity to indigent households earning equal to two state grants as at 30 June 2024	680	2310
Provide free households gas to indigent households equal to two state grants as at 30 June 2024	25	19
The percentage of the municipal capital budget actually spent on capital projects by 30 June 2024 (Actual amount spent on capital projects /Total amount budgeted for capital projects)X100	90%	Not reported.

Reported achievement inconsistent with planned and reported indicator and target

55. The reported achievements in the annual performance report were inconsistent with the commitments made in the approved planning documents. These discrepancies highlight misalignment between approved plans and operations, while the incorrect reporting undermines transparency and accountability.

Indicator	Target (Annual Target)	Reported achievement (Quarterly)
TL14: Nr of residential properties that which are billed for water or have pre-paid meters that is connected to the municipal water infrastructure network as at 30 June 2024	2616	2587
TL15: Nr of residential properties which are billed for electricity or have pre-paid meters as at 30 June 2024 (excl. Eskom areas)	1335	1335
TL16: Nr of residential properties connected to the municipal waste water sanitation/ sewerage network for sewerage service, irrespective of the number of water closets (toilets) which are billed for sewerage as at 30 June 2024	2399	2394
TL17: Number of residential properties which are billed for refuse removal as at 30 June 2023	2649	2621
TL18: Provide free basic water to indigent households earning equal to two state grants as at 30 June 2024	1991	1962
TL19: Provide free basic electricity to indigent households earning equal to two state grants as at 30 June 2024	2310	2310
TL20: Provide free households gas to indigent households equal to two state grants as at 30 June 2024	19	19
TL21: Provide free basic sanitation to indigent households earning equal to two state grants as at 30 June 2024	1793	1763
TL22: Provide free basic refuse removal to indigent households earning equal to two state grants as at 30 June 2024	1987	1962
TL33: % spent of the library operational conditional grant by 30 June 2024 {(Actual expenditure divided by the total grant received) x 100	95%	95%

Indicator	Target (Annual Target)	Reported achievement (Quarterly)
TL34: Limit unaccounted for electricity to less than 12% by 30 June 2024 $\{(Number\ of\ Electricity\ Units\ Purchased - Number\ of\ Electricity\ Units\ Sold) / Number\ of\ Electricity\ Units\ Purchased\} \times 100\}$	12%	19%
TL35: Limit unaccounted for water to less than 50% by 30 June 2024 $\{(Number\ of\ Kiloliters\ Water\ Purified - Number\ of\ Kiloliters\ Water\ Sold) / Number\ of\ Kiloliters\ Water\ Purified\} \times 100\}$	50%	74%
TL36: % spent of the budget for the MIG Project: Upgrading of Bulk Water & Storage at Onseepkans and Witbank in terms of the grant allocation received by 30 June 2024 $\{(Actual\ capital\ expenditure\ on\ the\ project\ divided\ by\ the\ total\ approved\ capital\ budget\ for\ the\ project)\}$	90%	90%
TL37: % spent of the budget (WSIG) for the upgrading of internal water reticulation, Pofadder of the grant allocation received by 30 June 2024 $\{(Actual\ capital\ expenditure\ on\ the\ project\ divided\ by\ the\ total\ approved\ capital\ budget\ for\ the\ project)\} \times 100\}$	90%	90%
TL38: % of microbiological water quality level achieved as per SANS 241 by 30 June 2024	90%	0%
TL39: Wastewater quality measured to the Department of Water and Sanitation's License Conditions for physical and micro parameters	70%	0%

Performance indicators not well defined and target not measurable

Various indicators

56. Various indicators and their targets were not clearly defined during the planning process. Consequently, the indicators and their targets are not useful for measuring and reporting on progress against the municipality's planned objectives.

Indicator	Target	Detail
Provide free household gas to indigent households earning less than R4200 as at 30 June 2024	19	Management indicated that indicator this indicator does not relate specifically to the indigent households.

Indicator	Target	Detail
The percentage of the municipal capital budget actually spent on capital projects by 30 June 2024 (Actual amount spent on capital projects /Total amount budgeted for capital projects)X100	Not reported	Not reported
90% spent of the budget for the MIG Project: Upgrading of Bulk Water & Storage at Onseepkans and Witbank in terms of the grant allocation received by 30 June 2024 {{(Actual capital expenditure on the project divided by the total approved capital budget for the project)}}	90%	The formula used to calculate the percentage is not specific, it does not state that the MIG funds received and spent will be used to measure the target.
90% spent of the budget (WSIG) for the upgrading of internal water reticulation, Pofadder of the grant allocation received by 30 June 2024 {{(Actual capital expenditure on the project divided by the total approved capital budget for the project)x100}}	90%	The formula used to calculate the percentage is not specific, it does not state that the WSIG funds received and spent will be used to measure the target.

Primary mandated function not prioritised.

57. The primary mandated function of road infrastructure performance indicator was not prioritized for delivery in the performance year. Management indicated that this was because municipality did not have funds but could not provide evidence to support the reason. Consequently, this function was not adequately planned or accounted for, which is likely to result in it not being delivered and undermines transparency and accountability.

Measures taken to improve performance not reported in annual performance report.

Various indicators

58. Measures taken to improve performance against underachieved targets were not reported in the annual performance report. Information was thus not provided to help with understanding the actions taken by the management to address performance gaps and for assessing the effectiveness of strategies to improve future performance against targets.

Indicator	Target (Annual Target)	Reported achievement (Quarterly)
TL14: Nr of residential properties that which are billed for water or have pre paid meters that is connected to the municipal water infrastructure network as at 30 June 2024	2616	2587

Indicator	Target (Annual Target)	Reported achievement (Quarterly)
TL16: Nr of residential properties connected to the municipal waste water sanitation/ sewerage network for sewerage service, irrespective of the number of water closets (toilets) which are billed for sewerage as at 30 June 2024	2399	2394
TL17: Number of residential properties which are billed for refuse removal as at 30 June 2023	2649	2621
TL18: Provide free basic water to indigent households earning equal to two state grants as at 30 June 2024	1991	1962
TL21: Provide free basic sanitation to indigent households earning equal to two state grants as at 30 June 2024	1793	1763
TL22: Provide free basic refuse removal to indigent households earning equal to two state grants as at 30 June 2024	1987	1962
TL33: % spent of the library operational conditional grant by 30 June 2024 {(Actual expenditure divided by the total grant received) x 100	95%	95%
TL34: Limit unaccounted for electricity to less than 12% by 30 June 2024 {(Number of Electricity Units Purchased - Number of Electricity Units Sold) / Number of Electricity Units Purchased) x 100}	12%	19%
TL35: Limit unaccounted for water to less than 50% by 30 June 2024 {(Number of Kiloliters Water Purified - Number of Kiloliters Water Sold) / Number of Kiloliters Water Purified)x 100}	50%	74%
TL36: % spent of the budget for the MIG Project: Upgrading of Bulk Water & Storage at Onseepkans and Witbank in terms of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)}	90%	90%
TL37: % spent of the budget (WSIG) for the upgrading of internal water reticulation, Pofadder of the grant allocation	90%	90%

Indicator	Target (Annual Target)	Reported achievement (Quarterly)
received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)x100}		
TL38: % of microbiological water quality level achieved as per SANS 241 by 30 June 2024	90%	0%
TL39: Wastewater quality measured ito the Department of Water and Sanitation's License Conditions for physical and micro parameters	70%	0%

Reported achievement did not agree to evidence (overstated)

Various indicators

59. Based on the audit evidence, the actual achievement for 4 indicators did not agree to the achievements reported. Consequently, the targets were not achieved, the under-achievements on the targets were more than reported and the achievements against the target were lower than reported.

Indicator	Target	Reported achievement	Actual Achievement
95% spent of the library operational conditional grant by 30 June 2024.	95%	95%	54%
Provide free household gas to Indigent households earning less than R4200 as at 30 June 2024.	19	19	0
Provide free basic refuse removal to indigent households earning equal to two state grants as at 30 June 2024.	1987	1962	974
Limit unaccounted for water to less than 50% by 30 June 2024 {(Number of Kilolitres Water Purified - Number of Kilolitres Water Sold) / Number of Kilolitres Water Purified}x 100}.	50%	74%	58.75%

Reported achievement did not agree to evidence (understatement)

Various indicators

60. Based on the audit evidence, the actual achievements for 2 indicators did not agree to the achievements reported, but the targets were still achieved.

Indicator	Target	Reported achievement	Actual achievement
Limit unaccounted for electricity to less than 12% by 30 June 2024 {(Number of Electricity Units Purchased - Number of	12%	19%	28%

Indicator	Target	Reported achievement	Actual achievement
Electricity Units Sold) / Number of Electricity Units Purchased) x 100}.			
90% spent of the budget (WSIG) for the upgrading of internal water reticulation, Pofadder of the grant allocation received by 30 June 2024 {(Actual capital expenditure on the project divided by the total approved capital budget for the project)x100}.	90%	90%	100%

Reported achievement not supported by evidence

Various indicators

61. I could not determine if the reported achievements were correct, as adequate supporting evidence was not provided for auditing. Consequently, the achievements might be more or less than reported and were not reliable for determining if the targets had been achieved.

Indicator	Target	Reported achievement
Nr of residential properties which are billed for electricity or have pre-paid meters as at 30 June 2024 (excl Eskom areas)	1335	1335
Provide free basic water to indigent households earning equal to two state grants as at 30 June 2024	1991	1962
Provide free basic electricity to indigent households earning equal to two state grants as at 30 June 2024	2310	2310
Provide free basic sanitation to indigent households earning equal to two state grants as at 30 June 2024	1793	1488

Other matters

62. I draw attention to the matters below.

Achievement of planned targets

63. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance. This information should be considered in the context of the material findings on the reported performance information.

64. The table that follows provide information on the achievement of planned targets and list the key service delivery indicators that were not achieved as reported in the annual performance report. The measures taken to improve performance are not included in the annual performance report on pages X to X.

Basic Service Delivery and Infrastructure

<i>Targets achieved: 37.5% (6/16)</i>		
<i>Budget spent: 89%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
TL 14: Nr of residential properties that which are billed for water or have pre-paid meters that is connected to the municipal water infrastructure network as at 30 June 2024	2616	2587
TL 16: Nr of residential properties connected to the municipal waste water sanitation/ sewerage network for sewerage service, irrespective of the number of water closets (toilets) which are billed for sewerage as at 30 June 2024	2399	2394
TL 17: Number of residential properties which are billed for refuse removal as at 30 June 2023	2649	2621
TL 18: Provide free basic water to indigent households earning equal to two state grants as at 30 June 2024	1991	1962
TL 21: Provide free basic sanitation to indigent households earning equal to two state grants as at 30 June 2024	1793	1763
TL 22: Provide free basic refuse removal to indigent households earning equal to two state grants as at 30 June 2024	1987	1962
TL 34: Limit unaccounted for electricity to less than 12% by 30 June 2024	12%	19%
TL 35: Limit unaccounted for water to less than 50% by 30 June 2024	50%	74%
TL 38: % of microbiological water quality level achieved as per SANS 241 by 30 June 2024	90%	0%
TL 39: Wastewater quality measured in terms of the Department of Water and Sanitation's License Conditions for physical and micro parameters	70%	0%

Material misstatements

65. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information for Basic Service Delivery and Infrastructure. Management did not correct the misstatements and I reported material findings in this regard.

Report on compliance with legislation

66. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
67. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
68. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
69. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Annual Financial statement and annual reports

70. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of non-current assets, current assets, current liabilities, revenue, expenditure and disclosure items identified by the auditors in the submitted financial statements were subsequently corrected and/or the supporting records were provided subsequently, but the uncorrected material misstatements and/or supporting records that could not be provided resulted in the financial statements receiving a qualified audit opinion.
71. The council failed to adopt an oversight report containing the council's comments on the 2022/23 annual report, as required by section 129(1) of the MFMA.

Procurement and contract management

72. An invitation for competitive bidding were not advertised for a required minimum period of days, in contravention of SCM Regulation 22(1) and 22(2). This non-compliance was identified in the procurement processes for the Project KH14-23/24 - Onseepkans & Witbank: bulk storage and infrastructure upgrade.

73. The preference point system was not applied to some of the procurement of goods and services as required by section 2(1)(a) of the Preferential Procurement Policy Framework Act. Similar non-compliance was also reported in the prior year.

Expenditure management

74. Money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.

75. Reasonable steps were not taken to prevent fruitless and wasteful expenditure, as required by section 62(1)(d) of the MFMA. The full extent of the fruitless and wasteful expenditure could not be quantified as indicated in the basis for qualification paragraph. The majority of the disclosed fruitless and wasteful expenditure was caused by interest charged on late payments to suppliers.

76. Reasonable steps were not taken to prevent irregular expenditure, as required by section 62(1)(d) of the MFMA. The expenditure disclosed does not reflect the full extent of the irregular expenditure incurred as indicated in the basis for qualification paragraph. The majority of the disclosed irregular expenditure was caused by expenditure incurred in contravention of the supply chain management requirements.

77. Reasonable steps were not taken to prevent unauthorised expenditure, as required by section 62(1)(d) of the MFMA. The full extent of the unauthorised expenditure could not be quantified as indicated in the basis for qualification paragraph. The majority of the disclosed unauthorised expenditure was caused by over expenditure incurred by municipal departments on their operating and capital budget.

Utilisation of conditional grants

78. Performance in respect of programmes funded by the Water Services Infrastructure Grant was not evaluated within two months after the end of the financial year, as required by section 12(5) of the Division of Revenue Act (Act 5 of 2023).

79. Performance in respect of programmes funded by the Local Government Financial Management Grant was not evaluated within two months after the end of the financial year, as required by section 12(5) of the Division of Revenue Act (Act 5 of 2023).

Consequence management

80. Unauthorised expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(a) of the MFMA.

81. Irregular and fruitless and wasteful expenditure, incurred by the municipality were not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.

Strategic planning and performance management

82. Performance targets were not set for each of the KPIs for the financial year, as required by section 41(1)(b) of the MSA and municipal planning and performance management regulation 12(1).
83. A mid-year performance assessment was not performed, as required by section 72(1)(a)(ii) of the MFMA.

Revenue management

84. An effective system of internal control for debtors and revenue was not in place, as required by section 64(2)(f) of the MFMA.
85. Revenue due to the municipality was not calculated on a monthly basis, as required by section 64(2)(b) of the MFMA.

Asset management

86. An effective system of internal control for assets was not in place, as required by section 63(2)(c) of the MFMA.

Human resource management

87. I was unable to obtain sufficient appropriate audit evidence that financial interests were disclosed by the municipal manager within 60 days from the date of appointment, as required by regulation 36(1)(a) on appointment and conditions of employment of senior managers.
88. Job descriptions were not established for all posts in which appointments were made, as required by section 66(1)(b) of the MSA and regulation 7(1) of Municipal Staff Regulations.
89. Appropriate systems and procedures to monitor, measure and evaluate performance of staff were not developed and adopted, as required by section 67(1)(d) of the MSA and regulation 31 of Municipal Staff Regulations.

Other information in the annual report

90. The accounting officer is responsible for the other information included in the annual report. The other information referred to does not include the financial statements, the auditor's report and those selected development priorities presented in the annual performance report that have been specifically reported on in this auditor's report.
91. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
92. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected development priorities

presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

93. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

94. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.

95. The matters reported below are limited to the significant internal control deficiencies that resulted in the basis for the qualified opinion, the material findings on the annual performance report and the material findings on compliance with legislation included in this report.

96. The accounting officer did not conduct an adequate oversight responsibility over the preparation of the annual financial statements, performance reporting, compliance with laws and regulations and internal control. The accounting officer did not implement adequate processes to ensure that reviews took place before information was submitted. This was evidenced by the material misstatements in the financial statements, the annual performance report, non-compliance with laws and regulations and internal control deficiencies noted throughout the audit process. The municipality's internal processes and systems did not prevent material non-compliance or irregular, unauthorised as well as fruitless and wasteful expenditure from occurring.

97. A comprehensive audit action plan was not formulated to effectively address the audit findings from the preceding financial year. Consequently, this deficiency contributed to the re-occurrence of analogous material findings in the current financial year.

98. A formalised performance management system was not implemented, leading to a lack of substantiation for the reported performance through an audit evidence portfolio. Additionally, multiple instances of non-compliance with laws and regulations pertaining to strategic planning and performance management were identified.

Auditor General

Kimberley

30 November 2024

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected development priorities and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	<p>Sections: 1, 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 28(1), 29(1), 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii),</p> <p>Sections: 32(2)(b), 32(6)(a), 32(7), 53(1)(c)(ii), 54(1)(c), 62(1)(d), 63(2)(a), 63(2)(c), 64(2)(b), 64(2)(c), 64(2)(e), 64(2)(f),</p> <p>Sections: 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e), 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1), 122(2), 126(1)(a),</p> <p>Sections: 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii), 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 170, 171(4)(a), 171(4)(b)</p>
