

Report of the auditor-general to the Northern Cape Provincial Legislature and the council on Ubuntu Local Municipality

Report on the audit of the financial statements

Qualified opinion

1. I have audited the financial statements of Ubuntu Local Municipality set out on pages xx to xx, which comprise the, statement of financial position as at 30 June 2025, statement of financial performance, statement of changes in net assets, cash flow statement, and the statement of comparison of budget information with actual information for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, except for the effects and possible effects of the matters described in the basis for qualified opinion section of this auditor's report, the financial statements present fairly, in all material respects, the financial position of the Ubuntu Local Municipality as at 30 June 2025, and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practise (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 24 of 2024 (Dora).

Basis for qualified opinion

Debt impairment

3. The provision for impairment of debtors was not calculated in accordance with the standards of GRAP 104, *Financial instruments*. The municipality fully impaired debtors accounts with a collection rate greater than 10% without determining the present value of expected future cash flows. I was unable to determine the full extent of the overstatement of debt impairment included in the statement of financial performance, as it was impracticable to do so. Consequently, I was unable to determine the full extent of the overstatement on VAT output and understatement of receivables from exchange transactions and non-exchange transactions. This also has an impact on the surplus and accumulated surplus for the period.

Irregular expenditure

4. The municipality did not include all irregular expenditure in the notes to the financial statements, as required by section 125(2)(d)(i) of the MFMA. The municipality incurred expenditure in contravention of the supply chain management (SCM) requirements which was not disclosed, resulting in irregular expenditure for the current and previous years being understated. I was unable to determine the full extent of the understatement as it was impracticable to do so.

Context for opinion

5. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
6. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International Code of ethics for Professional Accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
7. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of matters

8. I draw attention to the matters below. My opinion is not modified in respect of these matters.
9. The disclosure in note 47 in the financial statements, which deals with the possible effects of the future implications of deterioration in operational results on the municipality's prospects, performance, and cash flows. Management have also described how they plan to deal with these events and circumstances.
10. As disclosed in note 50 to the financial statements, material electricity losses to the amount of R9 222 212 (2024: R8 154 546) was incurred which represents 35.29% (2024: 33.29%) of total bulk electricity purchased.
11. As disclosed in note 50 to the financial statements, the corresponding figures for 30 June 2024 have been restated as a result of an errors in the financial statements of the Municipality, and for the year ended, 30 June 2025.
12. With reference to note 39 to the financial statements, the municipality is a defendant in a lawsuit. The ultimate outcome of this matter could not be determined at the time of this report, due to the uncertainty of the litigation.

Other matters

13. I draw attention to the matter below. My opinion is not modified in respect of this matter.
14. In terms of section 125(2)(e) of the MFMA, the particulars of non-compliance with the MFMA should be disclosed in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

15. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and

the Dora and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

16. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

17. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
18. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report. This description, which is located at page xx to xx, forms part of my auditor's report.

Report on the annual performance report

19. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected material performance indicators presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.
20. I selected the following material performance indicators related to 'Basic Service Delivery and Infrastructure Delivery' presented in the annual performance report for the year ended 30 June 2025. I selected those indicators that measure the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.
- INT FUNDS- Installation and construction of internal Solar High-mast Lights in Loxton
 - WSIG -CAPEX Upgrading and augmentation of Richmond Bulk Water Supply
 - Upgrading of existing oxidation ponds & sewer pump stations in Victoria West (Phase 1)
 - Achieve a 95% average drinking water quality as per SANS 241 criteria for all sampling points.
 - Number of households with access to electricity

- Number of households with basic refuse removal services
- Number of households with access to basic sanitation
- Number of households with access to basic water supply

21. I evaluated the reported performance information for the selected material performance indicators against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.

22. I performed procedures to test whether:

- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
- all the indicators relevant for measuring the municipality's performance against its primary mandated and prioritised functions and planned objectives are included
- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner
- there is adequate supporting evidence for the achievements reported and for the measures taken to improve performance.

23. I performed the procedures to report material findings only; and not to express an assurance opinion or conclusion.

24. The material findings on the reported performance information for the selected material indicators are as follows:

Various indicators

25. I could not determine if the reported achievements were correct, as adequate supporting evidence was not provided for auditing. Consequently, the achievements might be more or less than reported and were not reliable for determining if the targets had been achieved

Indicator	Target	Reported achievement
WSIG -CAPEX Upgrading and augmentation of Richmond Bulk Water Supply	100%	100%
Number of households with access to electricity	3 990	3 990
Number of households with basic refuse removal services	5 100	5 100
Number of households with access to basic sanitation	5100	5100
Number of households with access to basic water	5100	5100

Other matters

26. I draw attention to the matters below.

Achievement of planned targets

27. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance. This information should be considered in the context of the material findings on the reported performance information.
28. The table that follows provide information on the achievement of planned targets and list the key service delivery indicators that were not achieved as reported in the annual performance report. The measures taken to improve performance are included in the annual performance report on pages xx to xx.

Basic Service Delivery and Infrastructure Delivery

<i>Targets achieved: 88%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
Achieve a 95% average drinking water quality as per SANS 241 criteria for all sampling points.	95%	57%

Material misstatements

29. I identified preventable material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information for 'Basic Service Delivery and Infrastructure Delivery'.

Report on compliance with legislation

30. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
31. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
32. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
33. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Annual financial statements, performance reports and annual reports

34. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of liabilities, revenue, expenditure and disclosure items identified by the auditors in the submitted financial statements were subsequently corrected and the supporting records were provided subsequently, but the uncorrected material misstatements resulted in the financial statements receiving a qualified audit opinion.
35. The council failed to adopt an oversight report containing the council's comments on the 2023/24 annual report, as required by section 129(1) of the MFMA.

Consequence management

36. Some of the unauthorised expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(a) of the MFMA.
37. Some of Irregular expenditure and fruitless and wasteful expenditure incurred by the municipality were not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.

38. Some of the losses resulting from irregular expenditure and fruitless and wasteful expenditure were certified council as irrecoverable without having conducted an investigation to determine the recoverability of the expenditure, in contravention of section 32(2)(b) of the MFMA.

Expenditure management

39. Reasonable steps were taken to ensure that money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.
40. Reasonable steps were not taken to prevent irregular expenditure, as required by section 62(1)(d) of the MFMA. The full extent of the irregular expenditure could not be quantified as indicated in the basis for qualification paragraph. The majority of the disclosed irregular expenditure was caused by non-compliance with SCM regulations.
41. Reasonable steps were not taken to prevent fruitless and wasteful expenditure amounting to R1 745 937 as disclosed in note 44 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the disclosed fruitless and wasteful expenditure was caused by interest on payables by the municipality.
42. Reasonable steps were not taken to prevent unauthorised expenditure amounting to R13 837 837, as disclosed in note 43 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the disclosed unauthorised expenditure was caused by overspending on the municipality's approved budget.

Human resource management

43. The municipal manager did not develop the staff establishment and did not submit it to the municipal council for approval as required by section 66(1)(a) of the MSA
44. Appropriate systems and procedures to monitor, measure and evaluate performance of staff were not developed and adopted, as required by section 67(1)(d) of the MSA and regulation 31 of Municipal Staff Regulation.
45. The municipal manager and senior managers did not sign performance agreements within the prescribed period, as required by section 57(2)(a) of the MSA.

Procurement and contract management

46. Goods and services within the prescribed transaction values for formal written price quotations were procured without obtaining the required price quotations, in contravention of by SCM Regulation 17(1)(a) and (c). Similar non-compliance was also reported in the prior year.
47. Some of the written quotations were accepted from prospective providers who were not on the list of accredited prospective providers and did not meet the listing requirements prescribed by the SCM policy, in contravention of SCM Regulations 17(1)(a) and 17(1)(b). Similar non-compliance was also reported in the prior year.
48. Quotations were accepted from bidders who did not submit a declaration on whether they are employed by the state or connected to any person employed by the state, as required by SCM Regulation 13(c). Similar non-compliance was also reported in the prior year.

- 49. Some of the quotations were accepted from bidders whose tax matters had not been declared by the South African Revenue Service to be in order, in contravention of SCM regulation 43.
- 50. The performance of contractors or providers was not monitored on a monthly basis, as required by section 116(2)(b) of the MFMA. Similar non-compliance was also reported in the prior year.
- 51. The contract performance and monitoring measures were not in place to ensure effective contract management, as required by section 116(2)(c)(ii) of the MFMA. Similar non-compliance was also reported in the prior year.
- 52. Sufficient appropriate audit evidence could not be obtained that the preference point system was applied in all procurement of goods and services as required by section 2(1)(a) of the Preferential Procurement Policy Framework Act. Similar non-compliance was also reported in the prior year.

Revenue management

- 53. An effective system of internal control for debtors was not in place, as required by section 64(2)(f) of the MFMA.

Strategic planning and performance management

- 54. The SDBIP for the year under review did not include monthly revenue projections by source of collection and the monthly operational and capital expenditure by vote and the service delivery targets and performance indicators for each quarter as required by section 1 of the MFMA.
- 55. The performance management system and related controls were inadequate as it did not describe how the performance planning, monitoring, measurement, review, reporting and improvement processes should be managed, as required by municipal planning and performance management regulation 7(1).

Utilisation of conditional grants

- 56. Performance in respect of programmes funded by the Financial Management Grant Municipal Infrastructure Grant, Water Services Infrastructure Grant and Expanded Public works programme was not evaluated within two months after the end of the financial year, as required by section 12(5) of the Division of Revenue Act (Act 24 of 2024).
- 57. The Expanded Public works programme was not spent for its intended purposes in accordance with the grant Schedule concerned and the applicable grant framework, as required by section 16(1) of the Division of Revenue Act (Act 24 of 2024).

Oversight and Governance

- 58. The Internal Audit unit did not advise the accounting officer and did not report to the audit committee on the implementation of the internal audit plan on matters relating to performance management, as required by section 165(2)(b)(v) of the MFMA.
- 59. The Internal Audit unit did not audit the results of performance measurements, as required by MSA 45(a).

60. The internal audit unit did not submit quarterly reports on the audits of performance measurements of the auditee to the municipal manager and the performance audit committee, as required by regulation 14(1)(c)(ii) on Municipal Planning and Performance Management.
61. I was unable to obtain sufficient appropriate audit evidence that the audit committee reviewed the quarterly reports submitted by the internal auditors on the audits of performance measurement as required by regulation 14(4)(a)(i) on Municipal Planning and Performance Management.
62. I was unable to obtain sufficient appropriate audit evidence that the audit committee submitted an audit report on the review of the performance management system to the council, at least twice during a financial year, as required by regulation 14(4)(a)(iii) on Municipal Planning and Performance Management.

Other information in the annual report

63. The accounting officer is responsible for the other information included in the annual report. The other information does not include the financial statements, the auditor's report and those selected objectives presented in the annual performance report that have been specifically reported on in this auditor's report.
64. My opinion on the financial statements, and my reports on the audit of the annual performance report and compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
65. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected objectives presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
66. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

67. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
68. The matters reported below are limited to the significant internal control deficiencies that resulted in the basis for the qualified opinion, the material findings on the annual performance report and the material findings on compliance with legislation included in this report.

69. The leadership did not exercise adequate oversight responsibility regarding financial and compliance reporting, as well as related internal controls. The municipality did not have sufficient monitoring controls to ensure the proper implementation of the overall processes of planning, budgeting, implementation and reporting. This affected the performance management system, annual financial statements, and compliance with laws and regulations.
70. Leadership did not adequately develop and monitor the implementation of action plans to address internal control deficiencies. Although the municipality compiled an action plan to address internal and external audit findings, the responsible level of management failed to implement and monitor the plan timeously. This resulted in repeat findings in the current-year audit.
71. The municipality did not prepare regular, accurate and complete financial reports that were supported by reliable information. The annual financial statements submitted for audit contained numerous material misstatements.
72. The municipality did not adequately review and monitor compliance with applicable legislation. Furthermore, the municipality does not have adequate processes in place to identify and record irregular expenditure.

Other reports

73. I draw attention to the following engagements conducted by various parties. These reports did not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.
74. The Directorate for Priority Crime Investigation (Hawks) and Public Protector and are investigating allegations of irregularities relating to supply chain management processes at the municipality. These proceedings were in progress at the date of this report

Auditor General

Kimberley

30 November 2025

AUDITOR-GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected objectives and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made.
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause the municipality to cease operating as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.
