

Report of the auditor-general to the Northern Cape Provincial Legislature and the council on Dawid Kruiper Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Dawid Kruiper Local Municipality set out on pages **xx** to **xx**, which comprise the statement of financial position as at 30 June 2023, statement of financial performance, statement of changes in net assets, cash flow statement and statements of comparison of budget and actual amounts for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Dawid Kruiper Local Municipality as at 30 June 2023 and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practice (GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 5 of 2022 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

7. As disclosed in note 34 to the financial statements, the corresponding figures for 30 June 2022 were restated as a result of errors in the financial statements of the municipality at, and for the year ended 30 June 2023.

Material losses – water

8. As disclosed in note 43.02 to the financial statements, material water losses of R16 119 107 (2022: R19 025 643) was incurred.

Material impairments – Trade receivables from exchange and non-exchange transactions

9. As disclosed in note 3 to the annual financial statement, material provision for bad debts on trade receivables from exchange and non-exchange transactions to the amount to R180 511 205 (2021: R169 064 027) was incurred as a result of impairment of total exchange debtors, total non-exchange debtors and traffic debtors.

Other matters

10. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited disclosure notes

11. In terms of section 125(2)(e) of the MFMA, the particulars of non-compliance with the MFMA should be disclosed in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Unaudited supplementary schedules

12. The supplementary information set out on pages xx to xx does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion on them.

Responsibilities of the accounting officer for the financial statements

13. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and the Dora; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
14. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

15. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

16. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the audit of the annual performance report

17. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected development priorities presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.
18. I selected the following development priorities presented in the annual performance report for the year ended 30 June 2023 for auditing. I selected development priorities that measure the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

Development priority	Page numbers	Purpose
Water Resources and Services	x – x	Develop, manage and maintain necessary infrastructure and facilities required to improve the provision of water services.
Energy and Electricity	x – x	Provide, manage and maintain essential infrastructure required to improve the provision of electrical services.
Sanitation, Waste Management and Waste Removal	x – x	Regulate and manage waste disposal to prevent pollution of the natural environment and natural resources.

19. I evaluated the reported performance information for the selected development priorities against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.
20. I performed procedures to test whether:
- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives
 - the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements

- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner
- there is adequate supporting evidence for the achievements reported and for the measures taken to improve performance.

21. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

22. I did not identify any material findings on the reported performance information for the selected development priorities.

Other matter

23. I draw attention to the matters below.

Achievement of planned targets

24. The annual performance report includes information on reported achievements against planned targets and provides measures taken to improve performance.

Water Resources and Services

<i>Targets achieved: 80%</i> <i>Budget spent: 66%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
95% of the quarterly water samples meet the minimum Blue Drop biological standards in terms of SANS 241 during the 2022/2023 financial year	95%	92%

Energy and Electricity

<i>Targets achieved: 67%</i> <i>Budget spent: 55%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
Spend 95% of the allocated budget for the electrification of 157 houses - Louisvale by 30 June	95%	1.39%
Spend 95% of the allocated budget for the high mast lighting by 30 June	95%	66.44%

Sanitation, Waste Management and Waste Removal

<i>Targets achieved: 43%</i> <i>Budget spent: 82%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
80% of quarterly effluent samples meet the minimum Green Drop biological standards during the 2022/2023 financial year	80%	77.33%
Render vacuum tank services as per service delivery programme - (Satellite area)	100%	93.5%
Clean 100% OF (UDS/VIP) Toilets as per programme by 30 June	100%	0%
Render Bucket removal sanitation services as per service delivery programme per quarter	100%	85.55%

Material misstatements

25. I identified material misstatements in the annual performance report submitted for auditing.

These material misstatements were in the reported performance information for Energy and Electricity development priority. Management subsequently corrected all the misstatements and I did not include any material findings in this report.

Report on compliance with legislation

26. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.

27. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa

(AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.

28. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
29. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Procurement and contract management

30. The preference point system was not applied for some of the procurement of goods and services as required by section 2(1)(a) of the Preferential Procurement Policy Framework Act.

Expenditure management

31. Money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.
32. Reasonable steps were not taken to prevent fruitless and wasteful expenditure amounting to R8 895 413, as disclosed for the current year in note 37.09 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA. The majority of the disclosed fruitless and wasteful expenditure was caused by interest on late payment of creditors.

Other information in the annual report

33. The accounting officer is responsible for the other information included in the annual report. The other information referred to does not include the financial statements, the auditor's report and those selected development priorities presented in the annual performance report that have been specifically reported on in this auditor's report.
34. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
35. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected development priorities presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
36. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract

this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

37. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
38. The matters reported below are limited to the significant internal control deficiencies that resulted in the material findings on compliance with legislation included in this report.
39. The municipality did not comply with applicable legislation. Material findings on compliance with legislation were raised in the year under review. The municipality's internal processes and system did not prevent fruitless and wasteful expenditure from recurring and creditors were not always paid within 30 days.
40. The municipality did not update their policies and procedures to take into account the changes in legislation. As a result, there was material non-compliance with procurement and contract management during the period under review.

Auditor-General

Auditor-General

Kimberley

30 November 2023

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected development priorities and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:
